Blue Cross and Blue Shield of Texas* (BCBSTX) is very pleased to provide you with this information about your value-added vision program through Davis Vision, Inc., a leading national provider of routine vision care programs.

Who are the network providers?

Participating providers include a wide selection of private practice doctors and the convenience of retailers such as EyeMasters and Wal-Mart.

Please call **1-800-501-1459** to obtain a list of the Davis Vision providers near you, or go to the Davis Vision Web site at www.davisvision.com and use the "Open Enrollment" feature. You will be prompted to enter your Client Control Number, which is **4495**.

How to maximize your benefits:

- You should continue to follow network guidelines by using a HealthSelect network optometrist or ophthalmologist for your routine eye exam.
- You can receive discounts on most vision products and services, including frames, lenses, and contacts by simply presenting your BCBSTX ID card to a Davis Vision Provider and mentioning that you are using the "BCBSTX Plan #400."
- "Plan 400" alerts the Davis Vision provider that you should receive a discount.

It's that easy to receive services!

Information about Laser Vision Correction:

Davis Vision is pleased to provide you and your eligible dependents with the opportunity to receive Laser Vision Correction Services at significant discounts through the Davis Vision network.

Mail order contact lenses:

Lens 123 is a fast and convenient way to purchase replacement contact lenses at significant savings. For more information, please call 1-800-LENS-123 (1-800-536-7123) or visit the Lens 123 Web site at www.Lens123.com.
