Using This Directory to Find a Blue Choice PPOSM Participating Provider

Each time you or a covered family member needs medical care, use this directory to find Blue Choice PPO participating providers, such as:

- Doctors for routine and preventive care (check the listings for Primary Care Providers)
- Hospitals
- Specialists or other health care providers

Primary Care Providers are available for most routine and preventive care, while specialists generally practice only in the fields where they're listed in this directory.

To provide corrections or updates to the provider information in this directory (such as the provider's contract status or whether the provider is accepting new patients), please call Customer Service at 1-800-521-2227 (Monday through Friday from 8:00a.m. to 8:00 p.m. Central Time).

MORE INFORMATION IS JUST A CLICK AWAY

We continue to update the Blue Choice PPOSM provider directory as changes occur. New doctors and providers contract to be in the network, others may change their office addresses and some leave the network. For the most up-to-date information, check Provider Finder[®] at www.bcbstx.com where you can find the doctor's, hospital's or other health care provider's address and phone number that you can send directly to your phone. In addition, there are maps for Primary Care Providers, specialists and hospitals to help locate them. Also, you can find the practice limitations, languages spoken, gender, professional affiliations and whether new patients are accepted. If you're already a member and you'd rather speak with someone, call Customer Service at 1-800-521-2227 (Monday through Friday from 8:00 a.m. to 8:00 p.m. Central Time).

IF YOU'RE THINKING ABOUT ENROLLING

If you're considering a health plan that uses the Blue Choice PPOSM network, read the following instructions to learn more about getting care from Blue Choice PPO participating doctors and providers. Then review the directory to find Blue Choice PPO participating providers in your area. Chances are the doctors and hospitals you want to use are in the network.

Behavioral Health Services

Participating behavioral health and chemical dependency professionals and physicians are also listed in this directory. Blue Cross and Blue Shield prior authorizes services and helps you select a participating behavioral health professional or physician.

Coverage Outside of Texas

If you're out of state and need care, you and your covered family members can receive covered care almost anywhere in the country from Blue Cross and Blue Shield participating doctors and hospitals through the BlueCard Program.

To find a list of participating doctors and hospitals in the BlueCard program within the United States and around the world, go to the BlueCard Doctor and Hospital Finder at www.bcbs.com. If you are a member, you also can call our dedicated BlueCard line at 1-800-810-BLUE (2583) and speak with a BlueCard® customer service representative.

What to Do in an Emergency

In an emergency, call 911 or seek help from any doctor or hospital immediately. You're covered no matter where you go. You, your doctor, the hospital or a family member must then call Blue Cross and Blue Shield of Texas at the number on your member ID card during the first 48 hours of the emergency visit.

To arrange for emergency behavioral health services and precertify behavioral health inpatient hospital treatment, call 1-800-528-7264. Blue Cross and Blue Shield of Texas is available 24 hours a day, seven days a week.
