

## BlueCross BlueShield of Texas

### **New Vision Services Vendor Effective in 2007**

Effective January 1, 2007, Davis Vision will become the new vendor for HMO Blue® Texas vision riders and will offer a value-added vision program for all BCBSTX members.

Current vision benefits offered through HMO Blue Texas will remain unchanged. HMO Blue Texas members with the vision rider will receive an information packet from Davis Vision in December.

The value-added vision program not only provides discounts for routine exams, lenses, frames, and contact lenses, it also includes a mail order contact lens replacement program (LENS 123), and a network of participating providers offering discounts on laser vision correction. Click on the following link to view a flyer about the [Value-Added Vision Program](#).

Employees will have access to a national blended network of over 25,000 providers in both independent and retail locations. This allows the flexibility and convenience for employees to obtain services at Wal-Mart and EyeMasters.

Davis Vision is a leading national vision care company with more than 40 million members.

Contact your BCBSTX representative for more information.
