## Is Medicare Select right for you?

With Medicare Select, you agree to use any of our Medicare Select Network Hospitals for non-emergency admissions, and you can still choose your own doctors and specialists. If you do not use one of these network hospitals, you agree to pay the Part A deductible, and any non-covered charges.

And, with Medicare Select, you are fully covered for emergency care at any hospital.

Only certain hospitals are network providers under this policy. Check with your physician to determine if he or she has admitting privileges

at a Medicare Select Network Hospital. If he or she does not, you may be required to use another physician at the time of hospitalization, or if you still use a non-network hospital, you must pay the Part A deductible and any non-covered charges.

See whether a hospital you would use is in our listing. If so, our money-saving Medicare Select option may be right for you.
