Thirty-day
brand name
prescription

~~\$22~~*

Thirty-day prescription
of its generic equivalent

The generic drug can be just as effective. Both medicines have the same active ingredients, the same strength and the same dosage. Choose generic drugs whenever possible. It can save you money at the pharmacy, and will help keep costs down for everyone in your health plan. Talk with your doctor to determine what's best for you.

Visit www.bcbstx.com for more information about keeping health care affordable.
