Prescription Drug Utilization Benefit Management Programs ⁸	<p>Specialty Pharmacy Program: To be eligible for maximum benefits, specialty medications must be obtained through the preferred Specialty Pharmacy provider.</p> <p>Member Pay the Difference: When choosing a brand name drug over an available generic equivalent, you pay your usual share plus the difference in cost.</p> <p>Prior Authorization/Step Therapy Requirements: Before receiving coverage for some medications, your doctor will need to receive authorization from BCBSTX and you may first need to meet certain criteria or try more cost-effective drugs.</p> <p>Mail-Order Program: You may receive a 90-day supply for prescription drugs through the mail-order program or at select retail pharmacies depending on your prescription drug benefit.</p>		

1 Depending on your plan, benefits are either reduced or not available when non-participating providers are used. This is a summary of benefit highlights only. All benefits shown indicate member responsibility.
 2 The standard per person deductible and out-of-pocket maximum for this plan are shown. You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Note that copays apply whether or not you have met the deductible.
 3 All percentages shown are of allowable amount for covered services.
 4 Members may have lower out-of-pocket costs for some services provided by non-emergency freestanding outpatient facilities than the out-of-pocket costs for services provided in a hospital setting. See your Summary of Benefits and Coverage for additional details.
 5 As a reminder, a Health Savings Account (HSA) has tax and legal ramifications. Blue Cross and Blue Shield of Texas does not provide legal or tax advice and nothing herein should be construed as legal or tax advice. These materials, and any tax-related statements in them, are not intended or written to be used, and cannot be used or relied on for the purpose of avoiding tax penalties. Tax-related statements, if any, may have been written in connection with the promotion or marketing of the transaction(s) or matter(s) addressed by these materials. You should seek advice based on your particular circumstances from an independent tax adviser regarding tax consequences of specific health insurance plans or products.

6 Prescription benefit coverage starts after the annual medical deductible has been met, not counting copays. Retail stores in the Preferred Pharmacy Network offer members prescriptions with a lower possible copay amount.
 7 Six prescription drug payment level tiers: Preferred Generics / Non-Preferred Generics / Preferred Brand / Non-Preferred Brand / Preferred Specialty / Non-Preferred Specialty
 8 Mail order is not available for Preferred and Non-Preferred Specialty tier drugs. These tiers are limited to a 30-day supply. Coverage limitations may apply to certain medications.
