Preexisting Condition Limitation

Benefits of this plan are not available for the first 12-months for conditions existing within 12-months before the effective date of coverage. This exclusion does not apply to you if:

- You are continuously covered for an aggregate period of 18-months under Creditable Coverage if the previous coverage was in effect up to a date not more than 63-days before the effective date of the coverage under this contract, excluding any waiting periods
- Your most recent Creditable Coverage was under a group health plan, individual plan, a governmental plan, or a church plan

If your most recent prior Creditable Coverage was under a group plan, an individual plan, a governmental plan or a church plan, but does not have aggregate Creditable Coverage totaling 18-months, we will credit the time you were previously covered under Creditable Coverage, if the previous coverage was in effect at any time during the 18-months preceding (a) the first day coverage is effective under this contract, if there is not a waiting period; or (b) the day the applicant files a substantially complete application for coverage, if there is a waiting period.

Your Deductible

Each calendar-year you must satisfy a deductible before receiving certain benefits under this policy. The amount of your deductible is shown on the Schedule of Coverage.

After you have claims for covered services in a calendar-year which exceed this deductible amount, your benefits will begin.

If you have family coverage and your family has satisfied the family deductible amount shown on the benefit page, it will not be necessary for anyone else in your family to meet a deductible in that calendar-year. That is, for the remainder of that calendar-year, no other family members will be required to meet the deductible before receiving benefits. No more than the amount of the individual deductible can be applied to the family deductible by any one family member.

Emergency | Care Services

Emergency care

Emergency facility care for life-threatening or severe medical conditions is covered 24-hours a day, seven days a week, both inside and outside your network service area.

- All facility treatment received during the first 48-hours following a medical emergency will be eligible for network benefits. After 48-hours, network benefits will be available only if you use network hospitals.
- A deductible and coinsurance will be required for facility charges for each outpatient emergency room visit. The copayment will be waived if you are admitted to the hospital for the emergency condition immediately following the visit.

Emergency care means health care services provided in a hospital emergency facility to evaluate and stabilize medical conditions of a recent onset and severity, including but not limited to severe pain, that would lead a prudent layperson, possessing an average knowledge of medicine and health, to believe that the person's condition, sickness, or injury is of such a nature that failure to get immediate medical care could result in:

- Placing the patient's health in serious jeopardy
- Serious impairment to bodily functions
- Serious dysfunction of any bodily organ or part
- Serious disfigurement
- In the case of a pregnant woman, serious jeopardy to the health of the fetus

In the event of an emergency, you should do one of the following:

- Go to the nearest emergency facility, whether or not the facility is a network hospital.
- If hospitalization is necessary, the admission must be authorized within two working days, or as soon as reasonably possible.

Remember: If an emergency occurs, call 911, your local ambulance, or go to the nearest emergency room.

Provider | *Information*

BlueChoice PPO Provider Network Description

The Foundation Hospital Care plan features the BlueChoice network, one of the largest Preferred Provider Organization (PPO) networks in the state. The BlueChoice network of contracting hospitals have agreed to reduce their fees for PPO plan members.

By seeing a network hospital for care, you will pay less, get the plan's highest level of benefits and have your hospital preauthorize care and file claims on your behalf.

To access the BlueChoice PPO hospital, go online to www.bcbstx.com and select Provider Finder®, or call Member Service at **1-888-697-0683** toll free.

Network | *vs. Out-of-Network Benefits*

The amount of benefits paid by your Foundation Hospital Care coverage depends on whether or not you receive your medical care through the network. You have the ability to choose, but you pay less when you receive care from a network hospital.

Network

Your network coverage begins with your selection of a BlueChoice network hospital. When you go to a BlueChoice network hospital, you will:

- Pay less for care
- Receive this program's highest level of benefits
- Have no claims to file
- Have network hospitals preauthorize care on your behalf

Out-of-Network

If you prefer, you may choose any hospital for your care. If you choose one not participating in the BlueChoice network, you will:

- Receive a lower level of benefits
- Pay a greater share of the costs
- File your own claims
- Be billed for charges above the BCBSTX allowable amount

If you decide to go out-of-network or are not in a service area for medical care, you have two choices:

- Use a ParPlan contracted hospital
- Use any licensed hospital

ParPlan contracted hospitals have agreed to accept the BCBSTX determined allowable amount and/or negotiated rates for covered services. Costs are more predictable, since you will not be billed for costs that exceed the allowable amount. ParPlan hospitals may file your claims, and you will receive out-of-network benefits.

If traveling, you may use the BlueCard program. Details on the next page.

BlueCard PPO | Program

Highlights of the BlueCard PPO Program

Blue Cross and Blue Shield is one of the most trusted and respected names in the health care benefits industry. Through the BlueCard Preferred Provider Organization (PPO) program, Blue Cross and Blue Shield plans work together to ensure our members can take advantage of that reputation whenever needed almost anywhere in the United States.

The BlueCard PPO program links your PPO network with other individual Blue Cross and Blue Shield networks across the country to provide you access to the largest hospital network in the nation.

BlueCard also gives you the freedom to use the hospital of your choice. If your hospital is in the BlueCard PPO network, you receive network benefits for services available through your plan.

How BlueCard PPO Works

- 1) Always carry your most current Blue Cross and Blue Shield of Texas ID card.
- 2) When you need health care, information about the BlueCard PPO program is only a phone call away. You may obtain information regarding Blue Cross and Blue Shield PPO network hospitals by calling BlueCard Access at **1-800-810-BLUE (2583)**, or Member Service at **1-888-697-0683** (listed on the back of your ID card).
- 3) Call the Blue Cross and Blue Shield plan telephone number on your ID card for preauthorization prior to receiving care, except in an emergency. Refer to the preauthorization number, as it differs from the BlueCard Access number. For emergencies, call within 48-hours following your care. Although network hospitals outside Texas may preauthorize services for you, it is ultimately your responsibility to obtain preauthorization.
- 4) When you arrive at the hospital, present your ID card and the doctor or hospital will verify your membership and coverage information.
- 5) After you receive medical attention, your claim is routed to your plan for processing. All hospitals are paid directly, relieving you of the hassle and worry. BlueCard hospitals have agreed to accept the Blue Cross and Blue Shield network's allowable amount and not bill you for the balance.
- 6) You will pay for non-covered services, as well as deductible and coinsurance amounts. Blue Cross and Blue Shield of Texas will send you a detailed explanation of benefits.

Advantages of BlueCard PPO

- Freedom to choose hospitals each and every time you need health care
- Access to one of the largest Preferred Provider Organization hospital networks in the nation
- 24-hour, worldwide coverage
- Hospitals preauthorize care and file claims on your behalf
- Security of knowing you have one of the most recognized health care ID cards

Preauthorization | Information

About Preauthorization

Your Foundation Hospital Care plan requires preauthorization for all inpatient hospital admissions. Preauthorization helps ensure that your hospital stay is medically necessary and protects you from unnecessary procedures.

How to Preauthorize

To preauthorize, you, the hospital or family member must call the toll-free number listed on the back of your ID card. A nurse will work with the caller to complete the preauthorization process. It can usually be taken care of with just one phone call.

Points to Remember

You are responsible for preauthorization. Failure to preauthorize your care before it is administered results in:

- A \$250 penalty for out-of-network in-hospital stays
- Your claim may be denied if it is determined to be medically unnecessary

In an Emergency

When a medical emergency occurs, there is seldom time to preauthorize a hospital admission. Be sure to have someone call to authorize your stay within two days after you are admitted. Preauthorization calls made after business hours are recorded and returned the next business day.

To preauthorize,

Making Changes | General Information

The following changes to your coverage should be reported to Blue Cross and Blue Shield of Texas by providing the new information on a Miscellaneous Change Form:

Adding Dependents

Evidence of insurability is required, except for newborns, by submitting a completed Miscellaneous Change Form. If approved, coverage will be effective on the first day of the next contract month following underwriting approval.

- **Newborns** – No evidence of insurability is required if coverage is applied for within 31-days of the child's birth. The child will be added to your policy effective on the child's date of birth and premiums will accrue from that date.
- **Court-mandated Dependents** – Court-mandated coverage may be added for an eligible dependent to an existing policy upon submission of a Miscellaneous Change Form and a copy of the legal document mandating coverage. Although eligible court-mandated dependents are guaranteed coverage, the coverage may be issued with condition riders. Coverage begins on the effective date of the court order if all required documentation is received within 31-days following the date of the court order. If all documentation is not received within 31-days, the dependent is subject to medical underwriting approval.

Deleting Dependents

Notice of dropping a dependent must be submitted using the Miscellaneous Change Form. The dependent will be canceled effective the first day of the next contract month following receipt.

Changing Information

- **Name Changes** – Name changes must be submitted in writing and give a reason for the change (i.e. marriage, divorce). Change is immediate. If you pay your premiums by the bank draft method of payment, a new bank draft authorization form and blank check indicating the new name and marked "VOID" should be included with the request for a name change.
- **Address Change** – A change in address may result in a change in premium. Address changes can be submitted in writing or may be taken over the telephone. If the address change results in a premium change, the new premium will be reflected on the next premium date statement.

Changing Coverage

- **Canceling Coverage** – All requests to cancel coverage must be received in writing. Coverage, including all dependent coverage, terminates on the last day of the contract month in which the written request is received by Blue Cross and Blue Shield of Texas. If optional dental coverage had been selected, the dental coverage will also cancel at the same time.

Notice of Ten-day Right to Examine Contracts

Within ten days after its delivery to the Subscriber, the Contract may be surrendered by delivering or mailing it to the Carrier's Administrative Office, Branch Office or Agent through whom it was purchased. Upon such surrender, any premiums paid will be returned.

Making Changes *continued*

For proper identification and prompt handling of a requested change, please be sure to provide your complete name, unique identification number and the group or policy number as it appears on your Blue Cross and Blue Shield of Texas health ID card.

Other Coverage Changes

- **Divorce** – If you become divorced and your family is covered under this policy, your covered spouse is entitled to have issued to him or her, without Evidence of Insurability, and within 30-days following the entry of the divorce decree, as long as there has been no lapse in coverage, a new policy of the same type. Your dependent children may either continue coverage under your policy, become covered under your spouse's new policy or change to separate individual coverage policies. Any pre-existing condition waiting period applicable to the new policy(ies) shall be considered as being met to the extent that such waiting period was satisfied under this policy. A Continuation of Coverage Application must be completed for each new policy.
- **In the event of your death** – In the event of your death, your covered spouse is entitled to have issued to him or her, without Evidence of Insurability, a new policy of the same type. A Continuation of Coverage Application for such policy must be made within 60-days of the date of death. In the event your spouse elects individual coverage and there are also dependent children covered under this policy, those dependent children are entitled to have issued to each of them, separate individual coverage policies, without Evidence of Insurability. A separate Continuation of Coverage Application for such policies must be made within 60-days of the date of your death. Any pre-existing condition waiting period applicable to the new policy(ies) shall be considered as being met to the extent that such waiting period was satisfied under this policy.
- **Loss of eligibility of dependent children** – When a covered dependent child becomes ineligible for coverage under this policy (due to reaching the limiting age or marriage) he or she may change to a separate individual coverage policy of the same type or with lesser benefits. Evidence of Insurability will not be required and any pre-existing condition waiting period applicable to the new policy shall be considered as being met to the extent that such waiting period was satisfied under this policy. A Continuation of Coverage Application for this change must be made within 30-days of the date of reaching the limiting age or marriage. If the former dependent child elects to apply for an individual coverage policy with greater benefits, Evidence of Insurability and a new application will be required.

Payment of premiums

- 1) Premiums are due and payable on the due date, which is dependent upon the method of payment selected.
- 2) The initial premium for individual coverage is based on the plan you select, ZIP code and your age at the time your coverage begins. The initial premium for family coverage is based on the plan you select, ZIP code, age, your spouse's age and any eligible dependent children at the time coverage is applied for.
- 3) Blue Cross and Blue Shield of Texas may establish a new premium for any of the benefits of this policy on any of the following dates or occurrences:
 - a) any premium due date, provided Blue Cross and Blue Shield of Texas notifies you of the new premium amount at least 30-days in advance of such premium due date;

Individual Rights

You may contact us using the information at the end of this notice to obtain the forms described here, explanations on how to submit a request, or other additional information.

Access: You have the right, with limited exceptions, to look at or get copies of your PHI contained in a designated record set. A “designated record set” contains records we maintain such as enrollment, claims processing, and case management records. You may request that we provide copies in a format other than photocopies. We will use the format you request unless we cannot practicably do so. You must make a request in writing to obtain access to your PHI and may obtain a request form from us. If we deny your request, we will provide you a written explanation and will tell you if the reasons for the denial can be reviewed and how to ask for such a review or if the denial cannot be reviewed.

Disclosure Accounting: You have the right to receive a list of instances for the 6-year period, but not before April 14, 2003 in which we or our business associates disclosed your PHI for purposes, other than treatment, payment, health care operations, or as authorized by you, and for certain other activities. If you request this accounting more than

once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to these additional requests. We will provide you with more information on our fee structure at your request.

Restriction: You have the right to request that we place additional restrictions on our use or disclosure of your PHI. We are not required to agree to these additional restrictions, but if we do, we will abide by our agreement (except in an emergency). Any agreement we may make to a request for additional restrictions must be in writing signed by a person authorized to make such an agreement on our behalf. We will not be bound unless our agreement is in writing.

Confidential Communication: You have the right to request that we communicate with you about your PHI by alternative means or to alternative locations. You must make your request in writing. This right only applies if the information could endanger you if it is not communicated by the alternative means or to the alternative location you want. You do not have to explain the basis for your

request, but you must state that the information could endanger you if the communication means or location is not changed. We must accommodate your request if it is reasonable, specifies the alternative means or location, and provides satisfactory explanation how payments will be handled under the alternative means or location you request.

Amendment: You have the right, with limited exceptions, to request that we amend your PHI. Your request must be in writing, and it must explain why the information should be amended. We may deny your request if we did not create the information you want amended and the originator remains available or for certain other reasons. If we deny your request, we

will provide you a written explanation. You may respond with a statement of disagreement to be attached to the information you wanted amended. If we accept your request to amend the information, we will make reasonable efforts to inform others, including people you name, of the amendment and to include the changes in any future disclosures of that information.

Questions | *Frequently Asked*

What if I need to be admitted to a hospital?

All hospital admissions must be preauthorized. If you are using a network hospital, in most cases, they will preauthorize your care. You are responsible for preauthorizing any care received out-of-network. Call the toll-free number on the back of your ID card to pre-authorize your care.

What if my BlueChoice network hospital does not preauthorize my care?

BlueChoice network hospitals are expected to handle preauthorization for members. However, you are ultimately responsible for ensuring preauthorization is done.

What will happen if I don't preauthorize my care?

You will be responsible for a \$250 penalty for out-of-network inpatient hospital care. Also, if your care is determined to be not medically necessary, your benefits may be reduced or denied. Benefits may also be reduced or denied if any hospital stay is not preauthorized.

What happens if I need emergency care?

Get care immediately. Your coverage includes facility benefits for emergency care. Be sure to have someone call the pre-authorization number within two days of any hospital admission.

What happens if I go to a ParPlan contracted provider instead of a BlueChoice network hospital?

You will receive out-of-network benefits, including paying twice the network deductible. ParPlan contracted hospitals offer cost advantages by agreeing to accept the BCBSTX determined allowable amount for covered services and may file your claims, but usually are not eligible for network benefits.

How do I locate a network hospital?

Call Member Service or use Provider Finder®, our Internet-based provider directory. Provider Finder gives you access to computerized maps and driving directions to hospitals within the BlueChoice network across the state. To access Provider Finder, visit our Web site at www.bcbstx.com.

How do I file a claim?

In order to obtain your benefits under this policy, it is necessary for a claim to be filed with Blue Cross and Blue Shield of Texas. To file a claim, usually all you will have to do is show your Blue Cross and Blue Shield of Texas ID card to your hospital. They will file your claim for you. Remember, however, it is your responsibility to ensure that the necessary claim information has been provided to Blue Cross and Blue Shield of Texas.

Once Blue Cross and Blue Shield of Texas receives your claim, it will be processed. The benefit payment for eligible claims will be sent directly to the hospital. You will receive a statement telling you how much was paid. In certain situations, you will have to file your own claims.

An example would be when you have had ambulance expenses. To file your own claim, follow these instructions:

- 1) Complete a Major Medical Claim form. These are available from Blue Cross and Blue Shield of Texas. You may also visit our Web site: www.bcbstx.com
- 2) Attach copies of all bills to be considered for benefits. These bills must include the provider's name and address, the patient's name, the diagnosis, the date of service, a description of the service and the claim charge.
- 3) Mail the completed Claim Form with attachments to:

Blue Cross and Blue Shield of Texas
P.O. Box 660044
Dallas, Texas 75266-0044

In any case, claims must be filed with Blue Cross and Blue Shield of Texas on or before December 31st of the calendar year following the year in which your covered service was rendered. (A covered service furnished in the last month of a particular calendar year shall be considered to have been furnished in the succeeding calendar year.)

Should you have any questions about filing claims, please call Blue Cross and Blue Shield of Texas using the Member Service telephone number on the back of your ID card.

ARTICLE III — PAYMENT OF BENEFITS; PARTICIPANT/PROVIDER RELATIONSHIP

1. Payment of Benefits

Payment to the Provider discharges Our responsibility to the Participant for any benefits available under this Contract.
- b. Except as provided above, the rights and benefits of this Contract shall not be assignable, either before or after services and supplies are provided. However, if a written assignment of benefits is made by a Participant to a Provider and the written assignment is delivered to Us with the claim for benefits, We will make any payment directly to the Provider.
- c. It is understood and agreed that the allowances described in Article IV for services and supplies furnished by a Provider whom We do not directly contract with: (1) are not intended to and do not fix their value of the services of the Provider; and (2) relate to or regulate their value. The Provider may make its regular charge. Any payments made by BCBSTX are merely to be applied to the Provider's charge.
- d. Any benefits payable to You shall, if unpaid at Your death, be paid to Your beneficiary; if there is no beneficiary, then such benefits shall be paid to Your estate.

2. Participant/Provider Relationship

The choice of a health care Provider should be made solely by You or Your Dependents. We are not liable for any act or omission by any health care Provider. We do not have any responsibility for a health care Provider's failure or refusal to provide services or supplies to You or Your Dependents.

ARTICLE IV — BENEFITS PROVIDED

Subject to the conditions described below and the Limitations and Exclusions in this Contract, when any Participant while covered hereunder incurs Eligible Charges, benefits shall be determined as follows:

1. Introduction

We have established a network of Providers to serve Participants throughout Texas. By using Providers in the Network, You will maximize the benefits available to You under this Contract. You will receive a directory when You enroll listing Network Providers in Your Plan Service Area. An updated directory will be provided at least annually or You may access Our website, www.bcbstx.com, for the most current listing to assist You in locating a Provider.

You have the freedom to use any health care Provider outside the Network and still receive benefits for covered services under this Contract. However, You will receive the lower level of benefits. See below for discussion on contracting/non-contracting Providers.

You, Your Provider of services, or a family member should preauthorize services when required by calling one of the toll-free numbers listed on the back of your Identification Card.

2. How the Medical Plan Works

- a. To receive Network Benefits under this Contract, care must be provided by a Network Provider. Refer to the Provider Directory to make Your selections. You are generally not required to submit claim forms when You use a Network Provider.

If You choose a Network Provider, the Provider will bill Us — not You — for services provided. The Network Provider has agreed to accept as payment in full the least of:

- (1) The billed charges,
- (2) The Allowable Amount as determined by Us, or
- (3) Other contractually determined payment amounts.

You are responsible for paying any applicable Deductibles, Copayment Amounts, Coinsurance Amounts and any limited or non-covered services.

- b. If You are admitted to an out-of-network facility, Out-of-Network Benefits will be available, **except** as described under *Benefits for Emergency Care*.

- (1) You may have to submit Your own claims forms for reimbursement of out-of-network expenses.
- (2) You will be responsible for billed charges above Our payment amount, Coinsurance Amounts, Deductibles, limited or non-covered services, preauthorization and any penalties for not preauthorizing care when required.

- c. If You require services that are not available from a Network Provider, Network Benefits will be provided when You use Out-of-Network Providers.

3. Medical Necessity

All services and supplies for which benefits are available under this Contract must be Medically Necessary as determined by Us. Charges for services and supplies that We determine are not Medically Necessary will not be eligible for benefit consideration and may not be used to satisfy Deductibles or apply to the Coinsurance Amount.

4. Contracting/Non-Contracting Providers

In addition to Network Providers, BCBSTX has written contracts with many (but not all) Providers. It is to Your advantage to use Providers that contract with BCBSTX whenever possible. When You need medical services, You should ask Your Provider if they have a contract with BCBSTX. If Your Provider has a written contract with Us, they will:

- a. File all claims for You,
- b. Accept Our Allowable Amount determination as payment for Medically Necessary services, and
- c. Not bill You for charges over the Allowable Amount determination.

You will be responsible for any applicable Deductibles, Copayment Amounts, and Coinsurance Amounts as shown on Your Schedule of Coverage, and services that are limited or not covered under this Contract.

When You use an Out-of-Network Provider that does not have a written contract with Us, You will be responsible for filing all claims for services rendered and You may be billed for charges above Our Allowable Amount determination.

If You require Emergency Care, the immediate, initial treatment necessary to stabilize You furnished by any Hospital is subject to the benefits provided by this Contract.

5. Preauthorization Requirements

Preauthorization is required for all Hospital Admissions, *Skilled Nursing Facility Expense*, *Hospice Facility Expense* and organ and tissue transplants.

Preauthorization establishes in advance the Medical Necessity of certain care and services covered under this Contract. It ensures that the preauthorized care and services as described below will not be denied on the basis of Medical Necessity. Preauthorization does not guarantee payment of benefits. **However, coverage is always subject to other requirements of this Contract, such as Preexisting Conditions, limitations and exclusions, any applicable Amendatory Endorsements and/or Coverage Exclusions Riders, payment of premium and eligibility at the time care and services are provided.**

You, Your Physician, Provider of services, or a family member calls one of the toll-free numbers listed on the back of Your Identification Card. The call should be made between 6 a.m. and 6 p.m. central time Monday through Friday on each day that is not a legal holiday and between 9 a.m. and noon central time on Saturday, Sunday, and legal holidays. Calls made after 6 p.m. central time Monday through Friday and after noon central time on Saturday, Sunday, and legal holidays will be recorded and returned within 24 hours. A benefits management nurse will follow-up with Your Provider's office. In most cases preauthorization is made within minutes while We are on the telephone with Your Provider's office.

a. **Hospital Admissions**

You are required to have Your admission preauthorized at least two working days prior to actual admission unless it would delay Emergency Care. In an emergency, preauthorization should take place within two working days after the admission or as soon as reasonably possible.

When a Hospital Admission is preauthorized, a length-of-stay is assigned. This Contract is required to provide a minimum length of stay in a Hospital for treatment of breast cancer of:

- 48 hours following a mastectomy, and
- 24 hours following a lymph node dissection.

If You require a longer stay than was first preauthorized, Your Provider may request an extension for the additional inpatient days. If an admission extension is not preauthorized, benefits may be reduced or denied.

Preauthorization is also required if You transfer to another facility or to or from a specialty unit within the facility.

If an admission is not preauthorized, benefits may be reduced or denied if We determine that the admission is not Medically Necessary.

b. **Skilled Nursing Facility Expense and Hospice Facility Expense**

Preauthorization is required for Medically Necessary *Skilled Nursing Facility Expense* and *Hospice Facility Expense*.

Preauthorization for *Skilled Nursing Facility Expense* and *Hospice Facility Expense* must be obtained by having the facility providing the services contact Us to request preauthorization. The request should be made:

- Prior to initiating *Skilled Nursing Facility Expense* and *Hospice Facility Expense*;
- When an extension of the initially preauthorized service is required; and
- When the treatment plan is altered.

If We have given notification that benefits for the treatment plan requested are not available, claims will be denied.

We will review the information submitted prior to the start of *Skilled Nursing Facility Expense* and *Hospice Facility Expense*. We will send a letter to You and the facility confirming preauthorization or denying benefits.

If *Skilled Nursing Facility Expense* or *Hospice Facility Expense* is to take place in less than one week, the agency or facility should call the preauthorization telephone number on the back of Your Identification Card.

Failure to preauthorize Out-of-Network Benefits will result in a [\$250][\$500] penalty which will be deducted from any benefits which may be finally determined to be available for *Skilled Nursing Facility Expense* or *Hospice Facility Expense*.

c. **Organ and Tissue Transplants**

Preauthorization is required for any organ or tissue transplant. Preauthorization of an organ or tissue transplant is the process by which the Medical Necessity of the transplant and the length of stay of the admission is approved or denied. Preauthorization does not guarantee payment of a claim but does ensure that payment for the covered room and board charges for the preauthorized length of stay will not be denied on the basis of Medical Necessity.

At the time of preauthorization We will assign length-of-stay for the admission if We determine that the admission is Medically Necessary. Upon request, the length-of-stay may be extended if We determine that an extension is Medically Necessary.

 - b. On the last day of any Contract Month upon written request for termination of this Contract made by the Subscriber and received by Us prior thereto; or
 - c. On the Contract Date for fraudulent or intentional misrepresentation of a material fact; or
 - d. On the date of death of the Subscriber; or
 - e. On the last day of any Contract Month in which a Subscriber no longer resides, lives, or works in an area for which We are authorized to do business; but only if coverage is terminated uniformly without regard to any Health Status Related Factor; or
 - f. On the date following 90 days advance notice by Us to the Subscriber, but only if We are terminating all other Form No. PPO-IN HOSPITAL Plan Contracts; provided each Participant shall have the option to purchase on a guaranteed issue basis any other individual hospital, medical or surgical insurance contract We offer at the time of discontinuance of this Contract.
 - g. In the event this Contract is terminated in accordance with the provisions of Subsection f above, a Participant does not elect to purchase another individual hospital, medical or surgical insurance policy, coverage for any continuous illness or injury of a Participant which commenced while this Contract was in force shall, at termination, continue during the continuous Total Disability of the Participant and shall be limited to:
 - (1) The duration of the policy benefit period; or
 - (2) Payment of maximum benefits under this Contract; or
 - (3) A period not less than 90 days.
- Total Disability**, for purposes of this Subsection g, means the complete inability of a Participant as a result of injury or sickness to engage in any employment or occupation for which he or she is or becomes qualified by reason of education, training, or experience, such individual is not in fact engaged in any employment or occupation for wage or profit, and is confined as a bed patient in a Hospital or Facility Other Provider.
- h. We may elect to terminate all individual hospital, medical or surgical coverage plans delivered or issued for delivery in this State, but only if We:
 - (1) Notify the Texas Department of Insurance Commissioner not later than 180 days prior to the date coverage under the first individual hospital, medical or surgical health benefit plan terminates;
 - (2) Notify each covered Participant not later than 180 days prior to the date on which coverage terminates for that Participant; and
 - (3) Act uniformly without regard to any Health Status Related Factor of covered individuals or Dependents of covered individuals who may become eligible for coverage.

2. In addition to the provisions of Section 1, above, the coverage of any Dependent under this Contract shall terminate on the earliest of the following dates:

a. At the end of the Contract Month in which the Dependent ceases to be a Dependent as defined in Article I, Section 15, of this Contract, provided that:

(1) If such date falls within a period for which We have accepted premium, coverage shall not terminate until the last day of such period; or

Disabled means any medically determinable physical or mental condition that prevents the child from engaging in self-sustaining employment. The disability must begin while the child is covered under this Contract and before the child attains 25. You must submit satisfactory proof of the disability and dependency to Us within 31 days following the child's attainment of age 25. As a condition to the continued coverage of a child as a disabled Dependent beyond age 25, We may require periodic certification of the child's physical or mental condition but not more frequently than annually after the two-year period following the child's attainment of age 25.

b. On the date of death of the Dependent; or

c. On the last day of any Contract Month on written request for termination of the Dependent's coverage made by the Subscriber and received by Us prior thereto; or

Upon timely application, We will allow coverage under the name of the applicant without evidence of insurability at the then prevailing premium rate for persons of the same age, sex and geographical location.

In the case of a change in marital status, the new Contract will have the same Effective Date as the Contract under which coverage was afforded prior to the loss of coverage. The rights provided under this Section 4 shall terminate if We do not receive the application within the 30-day period.

5. Notwithstanding the provisions of Section 1 and 2 above, pursuant to the Soldiers' and Sailor's Civil Relief Act of 1940 ("SSCRA"), upon receipt of written request by the Subscriber to suspend the Subscriber's and/or Dependents' coverage under this Contract due to active military duty, any premium paid beyond the day such service commenced shall be refunded on a pro rata basis, provided no claims have been paid for this period. If any claims have already been paid prior to receipt of notification the policy suspension date will be moved to the next renewal date.

ARTICLE VII — STANDARD PROVISIONS

1. **Change of Beneficiary:** The right to change a beneficiary is reserved for the insured, and the consent of the beneficiary or beneficiaries is not required for the surrender or assignment of this policy, for any change of beneficiary or beneficiaries, or for any other changes in this policy.
2. **Claim Forms:** We will furnish to the Subscriber or Provider, upon receipt of a notice of claim or prior thereto, such forms as We usually furnish for filing Proof of Loss. If such forms are not furnished within 15 days after receipt of such notice by Us, the Participant shall be deemed to have complied with the requirements of this Contract as to Proof of Loss upon submitting, within the time fixed in the Contract for filing such Proof of Loss, written proof covering the occurrence, the character, and the extent of the loss for which claim is made.
3. **Contract; Amendments:**
 - a. This Contract, Schedule of Coverage, the application or applications for coverage by the Subscriber and any amendments, riders, or endorsements, Amendatory Endorsements and/or Coverage Exclusion Riders attached hereto, shall constitute the entire Contract. Any statements made shall be deemed representations and not warranties, and no statement made by the Subscriber in the application for this Contract shall be used in any contest or in defense of a claim hereunder unless a copy of the application is attached to this Contract when issued.
 - b. Only Our President, Vice President, Secretary, or an Assistant Secretary has the power to change, modify, or waive the provisions of this Contract, and then only in writing prepared at the Administrative Office and attached or endorsed hereto. We shall not be bound by any promise or representation heretofore or hereafter made by or to any agent other than as specified above.
4. **Grace Period:** A Grace Period of: (a) ten days for monthly, or (b) 31 days for quarterly payment of premiums shall be allowed from the due date of each premium payment, during which Grace Period this Contract will continue in force, subject to its termination in accordance with the provisions hereof.
5. **Legal Actions:** No action at law or in equity shall be brought to recover on this Contract prior to the expiration of 60 days after written Proof of Loss has been filed in accordance with the requirements herein and no such action shall be brought at all unless brought within three years from the expiration of the time within which written Proof of Loss is required to be furnished by this Contract.
6. **Misstatement of Age:** In the event the age of a Participant has been misstated, the premium rate for such person shall be determined according to the correct age as provided in this Contract and there shall be an equitable adjustment of premium rate made so that We will be paid the premium rate at the true age of the Participant.
7. **Notice of Claim:** You shall give or cause to be given written notice to Us at Our Administrative Office at Richardson, Dallas County, Texas or Our duly authorized agent within 30 days or as soon as reasonably possible after any Participant receives any of the services for which benefits are provided herein. Notice given to any Hospital by the Participant at the time of admission as a patient shall satisfy this requirement.
8. **Physical Examinations and Autopsy:** We, at Our own expense, shall have the right and opportunity to examine the person of the Participant for whom claim is made, when and so often as We may reasonably require during the pendency of a claim hereunder and also in case of death, the right and opportunity to make an autopsy where it is not prohibited by law.

9. **Proof of Loss:** Except for services or supplies provided by a Network Provider, written Proof of Loss must be furnished to Our Administrative Office at Richardson, Dallas County, Texas, or Our duly authorized agent, no later than 90 days from the date that the services or supplies are provided to the Participant. Failure to furnish such proof within the time required shall not invalidate or reduce any claim if it was not reasonably possible to furnish such proof within such time, provided such proof is furnished as soon as reasonably possible and, in no event, except in the absence of legal capacity of the Subscriber, later than one year from the time proof is otherwise required.
10. **Reinstatement:** If default be made in the stipulated premium payments for this Contract, the subsequent acceptance of such premium payments by BCBSTX or Our duly authorized agents shall reinstate the Contract. The reinstated Contract shall cover only loss resulting from Accidental Injury as may be sustained after the date of reinstatement and loss due to sickness as may begin more than ten days after such date. In all other respects, the Subscriber and BCBSTX shall have the same rights hereunder as they had under the Contract immediately before the due date of the defaulted premiums, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium payments accepted in connection with a reinstatement shall be applied to a period for which premiums have not been previously paid, but not to any period more than 60 days prior to the date of reinstatement.
11. **Rescission of Coverage:** Any omission of a material fact, or fraudulent misstatement, or intentional misrepresentation of a material fact on the Subscriber's application will result in the cancellation of Your coverage (and/or Your Dependent(s)) coverage retroactive to the Effective Date. In the event of such cancellation, Blue Cross and Blue Shield of Texas may deduct from the premium refund any amounts made in claim payments during this period and You may be liable for any claims payment amount greater than the total amount of premiums paid during the period for which cancellation is effected. At any time when BCBSTX is entitled to rescind coverage already in force, BCBSTX may at its option make an offer to reform the policy already in force. This reformation could include, but not be limited to, the addition of exclusion riders and a change in the rating category/level. In the event of reformation, the policy will be reissued retroactive in the form it would have been issued had the misstated or omitted information been known at the time of application.
12. **Time Limit on Certain Defenses:**
- a. After two years from the Effective Date of coverage for any Participant, no misstatements or omissions, except fraudulent misstatements or omissions, made in his application for coverage shall be used to void his coverage or to deny a claim for benefits on account of hospitalization services provided after the expiration of such two-year period.
 - b. No claim for loss incurred with respect to any Participant under this Contract on account of hospitalization services provided after the twelve-month period from the date of issue of this Contract shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the Participant's Effective Date of coverage under this Contract. This Subsection b shall not apply to a disease or physical condition for which a fraudulent misstatement or omission was made by the Subscriber in his application for coverage.
13. **Time of Payment of Claims:** Benefits payable under this policy for any loss will be paid immediately upon receipt of due written proof of such loss.

ARTICLE VIII — GENERAL PROVISIONS

1. **Disclaimer:** We will not be liable for any act or omission by any Provider, their agents or employees, in caring for a Participant receiving services covered under this Contract, and no responsibility attaches hereunder for inability of any Provider to furnish accommodations or services. Benefits are subject to the rules and regulations of the Hospital, facility or other institution selected by the Participant, and are available only for sickness or injury acceptable to such Hospital, facility, or other institution.
2. **Disclosure Authorization:**
 - a. In consideration of Our having waived physical examination in connection with the application, You, on behalf of Yourself and Your Dependents, shall be deemed to have authorized any Provider to furnish Us all information and records or copies of records relating to the diagnosis, treatment, or care of any Participant included under this Contract; and such Participants shall, by asserting claim for benefits hereunder, be deemed to have waived all provisions of law forbidding the disclosure of such information and records.
 - b. As a condition to the continued coverage of a child as a disabled Dependent beyond the age of 25. We shall have the right to require periodic certification of the child's physical or mental condition and dependency, but not more frequently than annually after the two-year period following the child's attainment of age 25.
3. **Gender:** Use herein of a personal pronoun in the masculine gender shall be deemed to include the feminine unless the context clearly indicates the contrary.
4. **Non-Agency:** You understand that this Contract constitutes a contract solely between You and Blue Cross and Blue Shield of Texas (BCBSTX). BCBSTX is Division of Health Care Service Corporation, a Mutual Legal Reserve Company (HCSC), an Independent Licensee of the Blue Cross and Blue Shield Association. The license from the Association permits Blue Cross and Blue Shield of Texas to use the Blue Cross and Blue Shield Service Marks in the State of Texas. BCBSTX is not contracting as the agent of the Association. You also understand that You have not entered into this Contract based upon representations by any person other than BCBSTX. No person, entity, or organization other than BCBSTX shall be held accountable or liable to You for any of its obligations created under this Contract. This Section 4 shall not create any additional obligations whatsoever on the part BCBSTX other than those obligations created under other provisions of this Contract.
5. **Premiums:**
 - a. The premium applicable to this Contract is determined by Your age and sex, Your place of residence on each premium due date, certain health conditions or a combination of such health conditions, including but not limited to, whether or not You or a family member is a smoker or user of tobacco products, and the number and classification of the family members covered hereunder in accordance with the schedules filed with the Texas Department of Insurance. If both husband and wife are included on the same membership, Your premium will be based on the age of each adult.

To notify Us of any change in Your place of residence, You may notify Us in writing or You may call Customer Service telephone number shown on the back of Your Identification Cards within 30 days of the date of the change.

Your place of residence means the address where You principally reside and regularly maintain physical presence.

b. Notwithstanding the provisions of Subsection a, above, of this Section 5:

- (1) **Change in Premium Upon Notice:** We reserve the right to adjust the premium upon 30 days notice to You. Such adjustments in rates shall become effective on the date specified in said notice. Except for a change in the number and classification of a family member, or changes in premium resulting from a change in residence or age under Paragraph (2) and/or (3), below, no adjustment in premium rate shall be made within six months of the initial premium rate.
- (2) **Change of Residence:** If You change Your place of residence and such change results in a change in premium, the premium applicable to this Contract shall automatically change to the rate applicable to the new place of residence effective on the first day of the Contract Month following the date of such change in residence. If such change is to a lower premium rate and You fail to notify Us in writing of such change prior to the date of change, Your right to refund of overpayment shall be limited to the overpayment for the six months immediately preceding the date of notification to Us.
- (3) **Age:** If You and/or Your spouse attain an age which results in an increased premium rate, the premium applicable to this Contract shall automatically change to the rate applicable to the new age effective on the first day of the Contract Month following Your and/or Your spouse's birthday.

6. **Refund of Benefit Payments:** If and when We determine that benefit payments hereunder have been made erroneously but in good faith, We reserve the right to seek recovery of such benefit payments from the Participant, any other insurance company, or Provider of services to whom such payments were made. We reserve the right to offset subsequent benefit payments otherwise payable by the amount of any such overpayment.

7. **Review of Claim Determinations:**

- a. When a claim is submitted properly and received by Us, it will be processed to determine whether and in what amount benefits should be paid. Some claims take longer to process than others do because they require information not provided with the claim. Examples of such matters include determination of Medical Necessity.

After processing the claim, We will determine and notify the Participant of the exact amount, if any, being paid on the claim; that the claim is being denied in whole or in part and the reason for denial; or that We require additional information before We can determine Our liability. If additional information is requested, it must be furnished before processing of the claim can be completed.

- b. Any Participant (or a parent if he is a minor) has the right to seek and obtain a full and fair review by Us of any determination of a claim, or any other determination made by Us of the Participant's benefits under this Contract.

If a Participant believes We incorrectly denied all or part of his charges and wants to obtain a review of the benefit determination, he must:

- (1) Submit a written request for review mailed to Us at Our Administrative Office in Richardson, Dallas County, Texas. The request must state the Participant's full name and Subscriber identification number and the charges on the claim he wants reviewed.
- (2) Include in the written request the items of concern regarding Our determination and all additional information (including medical information) that the Participant believes has a bearing on why the determination was incorrect.

On the basis of the information supplied with the request for review, together with any other information available to Us, We will review Our prior determination for correctness and make a new determination. The Participant will be notified in writing of Our decision and the reasons for it within 60 days of Our receipt of the request for review. This determination will be final unless additional information, which has not previously been available for review, is provided within 60 days of the Participant's receipt of the determination.

8. State Government Programs:

- a. Benefits for services or supplies under this Contract shall not be excluded solely because benefits are paid or payable for such services or supplies under a state plan for medical assistance (Medicaid) made pursuant to 42 U.S.C., Section 1346 et seq., as amended. Any benefits payable under such state plan for medical assistance shall be payable to the Texas Department of Human Services to the extent required by the *Texas Insurance Code*.
- b. All benefits paid on behalf of a child or children under this Contract must be paid to the Texas Department of Human Services where:
 - (1) The Texas Department of Human Services is paying benefits pursuant to Chapter 31 or 32 of the *Human Resources Code*; and
 - (2) The parent who is covered by this Contract has possession or access to the child pursuant to a court order, or is not entitled to access or possession of the child and is required by the court to pay child support; and
 - (3) We receive written notice at Our Administrative Office, affixed to the benefit claim when the claim is first submitted, that the benefits claimed must be paid directly to the Texas Department of Human Services.

9. **Subrogation:** If We pay or provide benefits for You or Your Dependents under this Contract, We are subrogated to all rights of recovery which You or Your Dependent has in contract, tort or otherwise against any person, organization or insurer for the amount of benefits We have paid or provided. That means We may use Your rights to recover money through judgment, settlement or otherwise from any person, organization or insurer.

For the purposes of this provision, *Subrogation* means the substitution of one person or entity (BCBSTX) in the place of another (You or Your Dependent) with reference to a lawful claim, demand or right, so that he or she who is substituted succeeds to the rights of the other in relation to the debt or claim, and its rights or remedies.

Right of Reimbursement

In jurisdictions where subrogation rights are not recognized, or where subrogation rights are precluded by factual circumstances, We will have a right of reimbursement.

If You or Your Dependent recovers money from any person, organization or insurer for an injury or condition for which We paid benefits under this Contract, You or Your Dependent agrees to reimburse Us from the recovered money for the amount of benefits paid or provided by Us. That means You or Your Dependent will pay Us the amount of money recovered through judgment, settlement or otherwise from the third party or their insurer, as well as from any person, organization or insurer, up to the amount of benefits We paid or provided.

Right to Recovery by Subrogation or Reimbursement

You or Your Dependent agrees to promptly furnish to Us all information concerning Your or Your Dependent's rights of recovery from any person, organization or insurer and to fully assist and cooperate with Us in protecting and obtaining its reimbursement and subrogation rights. Your, Your Dependent or Your attorney will notify Us before settling any claim or suit so as to enable Us to enforce Our rights by participating in the settlement of the claim or suit. You or Your Dependent further agrees not to allow the reimbursement and subrogation rights BCBSTX to be limited or harmed by any acts or failure to act on the part of You or Your Dependent.

AMENDMENTS

An Amendment

Effective Date January 1, 2010

To be attached to and made a part of your Blue Cross and Blue Shield of Texas* Individual PPO Foundation Hospital Insurance Contract.

The Benefits Provided Section of Your Contract is amended by deleting the Section **Preauthorization Requirements** in its entirety and replacing it with the following:

Preauthorization is required for all Hospital Admissions, *Skilled Nursing Facility Expense*, *Hospice Facility Expense* and organ and tissue transplants.

Preauthorization establishes in advance the Medical Necessity or Experimental/Investigational nature of certain care and services covered under this Contract. It ensures that the preauthorized care and services as described below will not be denied on the basis of Medical Necessity or Experimental/Investigational. Preauthorization does not guarantee payment of benefits. **However, coverage is always subject to other requirements of this Contract, such as Preexisting Conditions, limitations and exclusions, any applicable Amendatory Endorsements and/or Coverage Exclusions Riders, payment of premium and eligibility at the time care and services are provided.**

You, Your Physician, Provider of services, or a family member calls one of the toll-free numbers listed on the back of Your Identification Card. The call should be made between 6 a.m. and 6 p.m. central time Monday through Friday on each day that is not a legal holiday and between 9 a.m. and noon central time on Saturday, Sunday, and legal holidays. Calls made after 6 p.m. central time Monday through Friday and after noon central time on Saturday, Sunday, and legal holidays will be recorded and returned within 24 hours. A benefits management nurse will follow-up with Your Provider's office. In most cases preauthorization is made within minutes while We are on the telephone with Your Provider's office.

a. Hospital Admissions

You are required to have Your admission preauthorized at least two working days prior to actual admission unless it would delay Emergency Care. In an emergency, preauthorization should take place within two working days after the admission or as soon as reasonably possible.

When a Hospital Admission is preauthorized, a length-of-stay is assigned. This Contract is required to provide a minimum length of stay in a Hospital for treatment of breast cancer of:

- 48 hours following a mastectomy, and
- 24 hours following a lymph node dissection.

If You require a longer stay than was first preauthorized, Your Provider may request an extension for the additional inpatient days. If an admission extension is not preauthorized, benefits may be reduced or denied.

Preauthorization is also required if You transfer to another facility or to or from a specialty unit within the facility.

If an admission is not preauthorized, benefits may be reduced or denied if We determine that the admission is not Medically Necessary or is Experimental/Investigational.

An Amendment

Effective Date January 1, 2010

To be attached to and made a part of your Blue Cross and Blue Shield of Texas* Individual PPO Foundation Hospital Insurance Contract.

b. Skilled Nursing Facility Expense and Hospice Facility Expense

Preauthorization is required for Medically Necessary *Skilled Nursing Facility Expense* and *Hospice Facility Expense*.

Preauthorization for *Skilled Nursing Facility Expense* and *Hospice Facility Expense* must be obtained by having the facility providing the services contact Us to request preauthorization. The request should be made:

- Prior to initiating *Skilled Nursing Facility Expense* and *Hospice Facility Expense*;
- When an extension of the initially preauthorized service is required; and
- When the treatment plan is altered.

If We have given notification that benefits for the treatment plan requested are not available, claims will be denied.

We will review the information submitted prior to the start of *Skilled Nursing Facility Expense* and *Hospice Facility Expense*. We will send a letter to You and the facility confirming preauthorization or denying benefits.

If *Skilled Nursing Facility Expense* or *Hospice Facility Expense* is to take place in less than one week, the agency or facility should call the preauthorization telephone number on the back of Your Identification Card.

Failure to preauthorize Out-of-Network Benefits will result in a \$250 penalty which will be deducted from any benefits which may be finally determined to be available for *Skilled Nursing Facility Expense* or *Hospice Facility Expense*.

c. Organ and Tissue Transplants

Preauthorization is required for any organ or tissue transplant. Preauthorization of an organ or tissue transplant is the process by which the Medical Necessity of the transplant and the length of stay of the admission is approved or denied. Preauthorization does not guarantee payment of a claim but does ensure that payment for the covered room and board charges for the preauthorized length of stay will not be denied on the basis of Medical Necessity or Experimental/Investigational.

At the time of preauthorization We will assign length-of-stay for the admission if We determine that the admission is Medically Necessary. Upon request, the length-of-stay may be extended if We determine that an extension is Medically Necessary.

An Amendment

Effective Date January 1, 2010

To be attached to and made a part of your Blue Cross and Blue Shield of Texas* Individual PPO Foundation Hospital Insurance Contract.

The General Provisions Section of Your Contract is amended By deleting the Section **Review of Claim Determinations** in its entirety and replacing it with the following:

Review of Claim Determinations:

- a. When a claim is submitted properly and received by Us, it will be processed to determine whether and in what amount benefits should be paid. Some claims take longer to process than others do because they require information not provided with the claim. Examples of such matters include determination of Medical Necessity.

After processing the claim, We will determine and notify the Participant of the exact amount, if any, being paid on the claim; that the claim is being denied in whole or in part and the reason for denial; or that We require additional information before We can determine Our liability. If additional information is requested, it must be furnished before processing of the claim can be completed.

- b. Any Participant (or a parent if he is a minor) has the right to seek and obtain a full and fair review by Us of any determination of a claim, or any other determination made by Us of the Participant's benefits under this Contract.

If a Participant believes We incorrectly denied all or part of his charges and wants to obtain a review of the benefit determination, he must:

- (1) Submit a written request for review mailed to Us at Our Administrative Office in Richardson, Dallas County, Texas. The request must state the Participant's full name and Subscriber identification number and the charges on the claim he wants reviewed.
- (2) Include in the written request the items of concern regarding Our determination and all additional information (including medical information) that the Participant believes has a bearing on why the determination was incorrect.

On the basis of the information supplied with the request for review, together with any other information available to Us, We will review Our prior determination for correctness and make a new determination. The Participant will be notified in writing of Our decision and the reasons for it within 60 days of Our receipt of the request for review. This determination will be the final internal determination by Us unless additional information, which has not previously been available for review, is provided within 60 days of the Participant's receipt of the determination.

1. The **Benefits Provided** section of Your Contract is amended adding the following new Section, **Use of Non-Contracting Providers**:

Use of Non-Contracting Providers

When you choose to receive services, supplies, or care from a Provider that does not contract with BCBSTX (a non-contracting Provider), you receive Out-of-Network Benefits (the lower level of benefits). Benefits for covered services will be reimbursed based on the BCBSTX non-contracting Allowable Amount, which in most cases is less than the Allowable Amount applicable for BCBSTX contracted Providers. Please see the definition of non-contracting Allowable Amount in the **DEFINITIONS** section of this Benefit Booklet. **The non-contracted Provider is not required to accept the BCBSTX non-contracting Allowable Amount as payment in full and may balance bill you for the difference between the BCBSTX non-contracting Allowable Amount and the non-contracting Provider's billed charges. You will be responsible for this balance bill amount, which may be considerable.** You will also be responsible for charges for services, supplies and procedures limited or not covered under the Plan and any applicable Deductibles, Coinsurance Amounts, and Copayment Amounts.

2. The **Definitions** section of Your Contract is amended by deleting the definition of Allowable Amount in its entirety and replacing it with the following:

Allowable Amount means the maximum amount determined by BCBSTX to be eligible for consideration of payment for a particular service, supply, or procedure.

- ***For Hospitals and Facility Other Providers, Physicians, and Professional Other Providers contracting with BCBSTX in Texas or any other Blue Cross and Blue Shield Plan*** – The Allowable Amount is based on the terms of the Provider contract and the payment methodology in effect on the date of service. The payment methodology used may include diagnosis-related groups (DRG), fee schedule, package pricing, global pricing, per diems, case-rates, discounts, or other payment methodologies.
- ***For Hospitals and Facility Other Providers, Physicians, and Professional Other Providers not contracting with BCBSTX in Texas or any other Blue Cross and Blue Shield Plan outside of Texas (non-contracting Allowable Amount)*** – The Allowable Amount will be the lesser of the Provider's billed charges or the BCBSTX non-contracting Allowable Amount. The non-contracting Allowable Amount is developed using BCBSTX network Allowable Amount data for similar Network Providers at a service level identified by standard contracting identification methods. The Allowable Amount for non-contracting Providers represents the average contract rate for Network Providers adjusted by a predetermined factor established by BCBSTX and updated on a periodic basis. Such factor shall not be less than 75 % and will be updated not less frequently than once every two years. The non-contracting Allowable Amount does not equate to the Provider's billed charges and

Participants receiving services from a non-contracting Provider will be responsible for the difference between the non-contracting Allowable Amount and the non-contracting Provider's billed charge, and this difference may be considerable. To find out the BCBSTX non-contracting Allowable Amount for a particular service, Participants may call customer service at the number on the back your BCBSTX Identification Card.

- ***For multiple surgeries*** – The Allowable Amount for all surgical procedures performed on the same patient on the *same* day will be the amount for the single procedure with the highest Allowable Amount *plus* a determined percentage of the Allowable Amount ***for each*** of the other covered procedures performed.
- ***For drugs administered by a Home Infusion Therapy Provider*** – The Allowable Amount will be the lesser of (1) the actual charge, or (2) the Average Wholesale Price (AWP) plus a predetermined percentage mark-up or mark down from the AWP wholesale price established by BCBSTX and updated on a periodic basis.

Except as changed by amendment, all terms, conditions, limitations and exclusions of the Contract to which this Amendment is attached will remain in full force and effect. This amendment shall become effective immediately.

**IMPORTANT INFORMATION ABOUT COVERAGE UNDER THE TEXAS LIFE, ACCIDENT,
HEALTH AND HOSPITAL SERVICE INSURANCE GUARANTY ASSOCIATION**
(For Insurers declared insolvent or impaired on or after September 1, 2005)

Texas law establishes a system, administered by the Texas Life, Accident, Health and Hospital Service Insurance Guaranty Association (the "Association"), to protect Texas policyholders if their life or health insurance company fails. Only the policyholders of insurance companies which are members of the Association are eligible for this protection which is subject to the terms, limitations, and conditions of the Association law. It is possible that the Association may not cover your policy in full or in part due to statutory limitations.

Insurance companies and agents are prohibited by law from using the existence of the Association for the purpose of sales, solicitation, or inducement to purchase any form of insurance. When you are selecting an insurance company, you should not rely on Association coverage.

NOTICE TO BLUE CROSS AND BLUE SHIELD OF TEXAS CONTRACTHOLDER

BlueCard

Like all Blue Cross and Blue Shield Licensees, the Plan participates in a program called “BlueCard.” Whenever Participants access health care services outside the Plan’s service area, the claims for those services may be processed through BlueCard and presented to the Plan for payment in conformity with network access rules of the BlueCard Policies then in effect (“Policies”). Under BlueCard, when Participants receive covered services within the geographic area served by an on-site Blue Cross and/or Blue Shield Licensee (“Host Blue”), the Plan will remain responsible to the Contractholder for fulfilling the Plan’s contract obligations.

However, the Host Blue will only be responsible, in accordance with applicable BlueCard Policies, if any, for providing such services as contracting with its participating Providers, handling all interaction with its participating Providers. The financial terms of BlueCard are described generally below.

Liability Calculation Method Per Claim

The calculation of the Participant’s liability on claims for covered services incurred outside the Plan’s service area and processed through BlueCard will be based on the lower of the Provider’s billed charges or the negotiated price the Plan pays the Host Blue.

The methods employed by a Host Blue to determine a negotiated price will vary among Host Blues based on the terms of each Host Blue’s Provider contracts. The negotiated price paid to a Host Blue by the Plan on a claim for health care services processed through BlueCard may represent:

- (i) The actual price paid on the claim by the Host Blue to the health care Provider (“Actual Price”), or
- (ii) An estimated price, determined by the Host Blue in accordance with BlueCard Policies, based on the Actual Price increased or reduced to reflect aggregate payments expected to result from settlements, withholds, any other contingent payment arrangements and non-claims transactions with all of the Host Blue’s health care Providers or one or more particular Providers (“Estimated Price”), or
- (iii) An average price, determined by the Host Blue in accordance with BlueCard Policies, based on a billed charges discount representing the Host Blue’s average savings expected after settlements, withholds any other contingent payment arrangements and non-claims transactions for all of its Providers or for a specified group of Providers (“Average Price”). An Average Price may result in greater variation to the Participant and the Contractholder from the Actual Price than would an Estimated Price.

Host Blues using either the Estimated Price or an Average Price will, in accordance with BlueCard Policies, prospectively increase or reduce the Estimated Price or Average Price to correct for over- or underestimation of past prices. However, the amount paid by the Participant is a final price and will not be affected by such prospective adjustment.

Statutes in a small number of states may require a Host Blue either (1) to use a basis for calculating the Participant’s liability for covered services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or (2) to add a surcharge. Should any state statutes mandate liability calculation methods that differ from the negotiated price methodology or require a surcharge, the Host Blue would then calculate the Participant’s liability for any covered services consistent with the applicable state statute in effect at the time the Participant received those covered services.

Return of Overpayments

Under BlueCard, recoveries from a Host Blue or from participating Providers of a Host Blue can arise in several ways, including but not limited to anti-fraud and abuse audits, Provider/hospital audits, credit balance audits, utilization review refunds, and unsolicited refunds. In some cases, the Host Blue will engage third parties to assist in discovery or collection of recovery amounts. The fees of such a third party are netted against the recovery. Recovery amounts, net of fees, if any, will be applied in accordance with applicable BlueCard Policies, which generally require correction on a claim-by-claim or prospective basis.

NOTICE OF MANDATED BENEFITS

This notice is to advise you of certain coverage and/or benefits provided in your health plan insured by Blue Cross and Blue Shield of Texas. This notice is required by legislation to be provided to you. *If you have questions regarding this notice, call Blue Cross and Blue Shield of Texas at 1-888-697-0683 or write us at P.O. Box 3236, Naperville, Illinois 60566-7236.*

Mastectomy or Lymph Node Dissection

Minimum Inpatient Stay: If due to treatment of breast cancer, any person covered by this plan has either a mastectomy or a lymph node dissection, this plan will provide coverage for inpatient care for a minimum of:

- a. 48 hours following a mastectomy; and
- b. 24 hours following a lymph node dissection.

The minimum number of inpatient hours is not required if the covered person receiving the treatment and the attending physician determine that a shorter period of inpatient care is appropriate.

Prohibitions: We may not (a) deny any covered person eligibility or continued eligibility or fail to renew this plan solely to avoid providing the minimum inpatient hours; (b) provide money payments or rebates to encourage any covered person to accept less than the minimum inpatient hours; (c) reduce or limit the amount paid to the attending physician, or otherwise penalize the physician, because the physician required a covered person to receive the minimum inpatient hours; or (d) provide financial or other incentives to the attending physician to encourage the physician to provide care that is less than the minimum hours.

Reconstructive Surgery After Mastectomy

Coverage and/or benefits are provided to each covered person for reconstructive surgery after mastectomy, including:

- a. All stages of the reconstruction of the breast on which mastectomy has been performed;
- b. Surgery and reconstruction of the other breast to achieve a symmetrical appearance; and
- c. Prostheses and treatment of physical complications, including lymphedemas, at all stages of mastectomy.

The coverage and/or benefits must be provided in a manner determined to be appropriate in consultation with the covered person and the attending physician.

Deductibles, coinsurance and copayment amounts will be the same as those applied to other similarly covered *Inpatient Hospital Expense* or *Medical-Surgical Expense*, as shown on the Schedule of Coverage.

Prohibitions: We may not (a) offer the covered person a financial incentive to forego breast reconstruction or waive the coverage and/or benefits shown above; (b) condition, limit, or deny any covered person's eligibility or continued eligibility to enroll in the plan or fail to renew this plan solely to avoid providing the coverage and/or benefits shown above; or (c) reduce or limit the amount paid to the physician or provider, nor otherwise penalize, or provide a financial incentive to induce the physician or provider to provide care to a covered person in a manner inconsistent with the coverage and/or benefits shown above.

Prostate Cancer Detection Examinations

Benefits are provided for each covered male for an annual medically recognized diagnostic examination for the detection of prostate cancer. Benefits include:

- A physical examination for the detection of prostate cancer; and

- A prostate-specific antigen test for each covered male who is:
 - At least 50 years of age; or
 - At least 40 years of age with a family history of prostate cancer or other prostate cancer risk factor.

Inpatient Stay Following Birth of a Child Due to Complication of Pregnancy

Benefits, we will provide inpatient care for the mother and her newborn child in a health care facility for a minimum of:

- a. 48 hours following an uncomplicated vaginal delivery; and
- b. 96 hours following an uncomplicated delivery by Cesarean section.

This benefit does not require a covered female who is eligible for maternity/childbirth benefits to:

- a. give birth in a hospital or other health care facility; or
- b. remain in a hospital or other health care facility for the minimum number of hours following birth of the child.

If a covered mother or her newborn child is discharged before the 48 or 96 hours has expired, we will provide coverage for post-delivery care. Post-delivery care includes parent education, assistance and training in breast-feeding and bottle-feeding and the performance of any necessary and appropriate clinical tests. Care will be provided by a physician, registered nurse or other appropriately licensed health care provider, and the mother will have the option of receiving the care at her home, the health care provider's office or a health care facility.

Prohibitions: We may not (a) modify the terms of this coverage based on any covered person requesting less than the minimum coverage required; (b) offer the mother financial incentives or other compensation for waiver of the minimum number of hours required; (c) refuse to accept a physician's recommendation for a specified period of inpatient care made in consultation with the mother if the period recommended by the physician does not exceed guidelines for prenatal care developed by nationally recognized professional associations of obstetricians and gynecologists or pediatricians; (d) reduce payments or reimbursements below the usual and customary rate; or (f) penalize a physician for recommending inpatient care for the mother or the newborn child.

Coverage for Tests for Detection of Colorectal Cancer

Benefits are provided, for each person enrolled in the plan who is 50 years of age or older and at normal risk for developing colon cancer, for expenses incurred in conducting a medically recognized screening examination for the detection of colorectal cancer. Benefits include the choice of:

- (a) a fecal occult blood test performed annually and a flexible sigmoidoscopy performed every five years, or
- (b) a colonoscopy performed every ten years.

NOTICE OF COVERAGE FOR ACQUIRED BRAIN INJURY

This notice is to advise you of certain coverage and/or benefits provided in your health plan insured by Blue Cross and Blue Shield of Texas. This notice is required by legislation to be provided to you. *If you have questions regarding this notice, call Blue Cross and Blue Shield of Texas at 1-888-697-0683 or write us at P.O. Box 3236, Naperville, IL 60566-7236.*

Your health benefit plan coverage for an acquired brain injury includes the following services:

- Cognitive rehabilitation therapy;
- Cognitive communication therapy;
- Neurocognitive therapy and rehabilitation;
- Neurobehavioral, neurophysiological, neuropsychological and psychophysiological testing and treatment;
- Neurofeedback therapy and remediation;
- Post-acute transition services and community reintegration services, including outpatient day treatment services or other post-acute care treatment services; and
- Reasonable expenses related to periodic reevaluation of the care of an individual covered under the plan who has incurred an acquired brain injury, has been unresponsive to treatment, and becomes responsive to treatment at a later date, at which time the cognitive rehabilitation services would be a covered benefit.

The fact that an acquired brain injury does not result in hospitalization or acute care treatment does not affect the right of the insured or the enrollee to receive the preceding treatments or services commensurate with their condition. Post-acute care treatment or services may be obtained in any facility where such services may legally be provided, including acute or post-acute rehabilitation hospitals and assisted living facilities regulated under the Health and Safety Code.

NOTICE

ALTHOUGH HEALTH CARE SERVICES MAY BE OR HAVE BEEN PROVIDED TO YOU AT A HEALTH CARE FACILITY THAT IS A MEMBER OF THE PROVIDER NETWORK USED BY YOUR HEALTH BENEFIT PLAN, OTHER PROFESSIONAL SERVICES MAY BE OR HAVE BEEN PROVIDED AT OR THROUGH THE FACILITY BY PHYSICIANS AND OTHER HEALTH CARE PRACTITIONERS WHO ARE NOT MEMBERS OF THAT NETWORK. YOU MAY BE RESPONSIBLE FOR PAYMENT OF ALL OR PART OF THE FEES FOR THOSE PROFESSIONAL SERVICES THAT ARE NOT PAID OR COVERED BY YOUR HEALTH BENEFIT PLAN.

IMPORTANT TO YOUR COVERAGE

To pay less out-of-pocket expenses and to receive the higher level of benefits for your health care costs, it is to your advantage to use Network Providers. If you use Network Providers, you will not be responsible for any charges over the Allowable Amount as determined by BCBSTX. What follows is an example of how much you would pay if you use a Network Provider and how much you would pay if you use a non-contracting Out-of-Network Provider. To make the example easier to follow, assume the Allowable Amount is the same. (NOTE: In most cases, however, the non-contracting Allowable Amount will be less than the contracting Allowable Amount, meaning your total payment responsibility will be even greater.)

EXAMPLE ONLY

	In-Network 80% of eligible charges \$5,000 Deductible	Out-of-Network 60% of eligible charges \$10,000 Deductible
Amount Billed	\$50,000	\$50,000
Allowable Amount	\$35,000	\$35,000
Calendar Year Deductible	\$5,000	\$10,000
Per-Admission Deductible	None	\$250
Plan's Coinsurance Amount	\$24,000	\$14,850
Your Coinsurance Amount	\$5,000	\$9,900
Non-Contracting Provider's additional charge to you	None	\$15,000 ¹
YOUR TOTAL PAYMENT	\$10,000 to a Network Provider	\$24,900 to a Non-contracting Out-of-Network Provider

Even when you consult a Network Provider, ask questions about any of the Providers rendering care to you. If you are scheduled for surgery, for example, ensure that your Network surgeon will be using a Network facility for your procedure and a Network Provider for your anesthesia services.

¹ If you choose to receive services from an Out-of-Network Provider, inquire if he participates in a contractual arrangement with BCBSTX. Providers who do not contract with BCBSTX or any other Blue Cross and Blue Shield plan will bill the patient for expenses over the Allowable Amount. Please refer to the section entitled *PARPLAN* in the Contract.

In the event of such cancellation, Blue Cross and Blue Shield of Texas (BCBSTX) may deduct from the premium refund any amounts made in claim payments during this period and You may be liable for any claims payment amount greater than the total amount of premiums paid during the period for which cancellation is effected. At any time when BCBSTX is entitled to rescind coverage already in force, BCBSTX may at its option make an offer to reform the policy already in force. This reformation could include, but not be limited to, the addition of exclusion riders, (this limitation does not apply to a Participant under 19 years of age) and a change in the rating category/level. In the event of reformation, the policy will be reissued retroactive in the form it would have been issued had the misstated or omitted information been known at the time of application.

5. The **General Provisions Section** of Your Contract is amended by adding the following new section:

Policy Year: Policy Year means the 12 month period beginning on January 1 of each year.

President of Blue Cross and Blue Shield of Texas

NOTICE

This health insurance issuer believes this coverage is a “grandfathered health plan” under the Affordable Care Act. As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that the policy may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime dollar limits on benefits for any individual.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to [P.O. Box 3236, Naperville, Illinois 60566-7236].

An Amendment

To be attached to and made a part of your Blue Cross and Blue Shield of Texas* Individual Health Insurance Contract.

Your Contract, and any Amendments attached to the Contract, is amended as follows:

1. The **Benefits Provided** section of Your Contract is amended by deleting the section **Use of Non-Contracting Providers** in its entirety and replacing it with the following:

Allowable Amount

The Allowable Amount is the maximum amount of benefits BCBSTX will pay for Eligible Expenses you incur under the Plan. BCBSTX has established an Allowable Amount for Medically Necessary services, supplies, and procedures provided by Providers that have contracted with BCBSTX or any other Blue Cross and/or Blue Shield Plan, and Providers that have not contracted with BCBSTX or any other Blue Cross and/or Blue Shield Plan. When you choose to receive services, supplies, or care from a Provider that does not contract with BCBSTX, you will be responsible for any difference between the BCBSTX Allowable Amount and the amount charged by the non-contracting Provider. You will also be responsible for charges for services, supplies, and procedures limited or not covered under the Plan and any applicable Deductibles, Coinsurance Amounts, and Copayment Amounts.

Review the definition of Allowable Amount in the **DEFINITIONS** section of this Benefit Booklet to understand the guidelines used by BCBSTX.

2. The **Definitions** section of Your Contract is amended by deleting the definition of Allowable Amount in its entirety and replacing it with the following:

Allowable Amount means the maximum amount determined by BCBSTX to be eligible for consideration of payment for a particular service, supply, or procedure.

- **For Hospitals and Facility Other Providers, Physicians, and Professional Other Providers contracting with BCBSTX in Texas or any other Blue Cross and Blue Shield Plan** – The Allowable Amount is based on the terms of the Provider contract and the payment methodology in effect on the date of service. The payment methodology used may include diagnosis-related groups (DRG), fee schedule, package pricing, global pricing, per diems, case-rates, discounts, or other payment methodologies.
- **For Hospitals and Facility Other Providers, Physicians, and Professional Other Providers not contracting with BCBSTX in Texas or any other Blue Cross and Blue Shield Plan outside of Texas (non-contracting Allowable Amount)** – The Allowable Amount will be the lesser of: (i) the Provider's billed charges, or; (ii) the BCBSTX non-contracting Allowable Amount. Except as otherwise provided in this section, the non-contracting Allowable Amount is developed from base Medicare Participating reimbursements adjusted by a predetermined factor established by BCBSTX. Such factor shall be not less than 75% and will exclude any Medicare adjustment(s) which is/are based on information on the claim.

Notwithstanding the preceding sentence, the non-contracting Allowable Amount for Home Health Care is developed from base Medicare national per visit amounts for low utilization payment adjustment, or LUPA, episodes by Home Health discipline type adjusted for

duration and adjusted by a predetermined factor established by BCBSTX. Such factor shall be not less than 75% and shall be updated on a periodic basis.

When a Medicare reimbursement rate is not available or is unable to be determined based on the information submitted on the claim, the Allowable Amount for non-contracting Providers will represent an average contract rate in aggregate for Network Providers adjusted by a predetermined factor established by BCBSTX. Such factor shall be not less than 75% and shall be updated not less than every two years

BCBSTX will utilize the same claim processing rules and/or edits that it utilizes in processing Participating Provider claims for processing claims submitted by non-contracted Providers which may also alter the Allowable Amount for a particular service. In the event BCBSTX does not have any claim edits or rules, BCBSTX may utilize the Medicare claim rules or edits that are used by Medicare in processing the claims. The Allowable Amount will not include any additional payments that may be permitted under the Medicare laws or regulations which are not directly attributable to a specific claim, including, but not limited to, disproportionate share and graduate medical education payments.

Any change to the Medicare reimbursement amount will be implemented by BCBSTX within ninety (90) days after the effective date that such change is implemented by the Centers for Medicaid and Medicare Services, or its successor.

The non-contracting Allowable Amount does not equate to the Provider's billed charges and Participants receiving services from a non-contracted Provider will be responsible for the difference between the non-contracting Allowable Amount and the non-contracted Provider's billed charge, and this difference may be considerable. To find out the BCBSTX non-contracting Allowable Amount for a particular service, Participants may call customer service at the number on the back your BCBSTX Identification Card.

- ***For multiple surgeries*** – The Allowable Amount for all surgical procedures performed on the same patient on the *same* day will be the amount for the single procedure with the highest Allowable Amount *plus* a determined percentage of the Allowable Amount ***for each*** of the other covered procedures performed.

Except as changed by amendment, all terms, conditions, limitations and exclusions of the Contract to which this Amendment is attached will remain in full force and effect. This amendment shall become effective immediately.

J. Darren Rodgers
President of Blue Cross and Blue Shield of Texas

An Amendment

January 1, 2012

To be attached to and made a part of your Blue Cross and Blue Shield of Texas* Individual Plan Insurance Contract.

AMENDMENT TO THE CONTRACT

The General Provisions section of your Contract is modified to add the following new section:

Premium Rebates and Premium Abatements:

- a. Rebate. In the event federal or state law requires Blue Cross and Blue Shield of Texas (BCBSTX) to rebate a portion of annual premiums paid, BCBSTX will directly provide any rebate owed Participants or former Participants to such persons in amounts as required by law.

If any rebate is owed a Participant or former Participant, BCBSTX will provide the rebate to the Participant or former Participant no later than August 1 following the end of the medical loss ratio ("MLR") reporting year.

BCBSTX will provide any rebate owed to a Participant in the form of a premium credit, lump-sum check or, if a Participant paid the premium using a credit card or direct debit, by lump-sum reimbursement to the account used to pay the premium. However, BCBSTX will provide any rebate owed to a former Participant in the form of lump-sum check or lump-sum reimbursement using the same method used for payment, such as credit card or direct debit.

If a rebate is provided in the form of a premium credit, BCBSTX will provide any rebate by applying the full amount due to the first premium payment due on or after August 1 following the end of the MLR reporting year. If the rebate owed is greater than the premium due, BCBSTX will apply any overage to succeeding premium payments until the full amount of the rebate has been credited.

At the time any rebate is provided, BCBSTX will provide to each Participant or former Participant who receives a rebate a notice containing at least the following information:

- (A) A general description of the concept of a MLR;
 - (B) The purpose of setting a MLR standard;
 - (C) The applicable MLR standard;
 - (D) BCBSTX's MLR;
 - (E) BCBSTX's aggregate premium revenue as reported under federal MLR regulations (minus any federal and state taxes and licensing and regulatory fees that may be excluded from premium revenue under those regulations); and
 - (F) The rebate percentage and amount owed based upon the difference between the BCBSTX's MLR and the applicable MLR standard.
- b. Abatement. BCBSTX may from time to time determine to abate (in whole or in part) the premium due under this Contract for particular period(s).

Any abatement of premium by BCBSTX represents a determination by BCBSTX not to collect premium for the applicable period(s) and does not effect a reduction in the rates under this Contract. An abatement for one period shall not constitute a precedent or create an expectation or right as to any abatement in any future period(s).

- c. BCBSTX makes no representation or warranty that any rebate or abatement owed or provided is exempt from any federal, state, or local taxes (including any related notice, withholding or reporting requirements). It will be the obligation of each Participant or former Participant (if applicable) owed or provided a rebate or an abatement to determine the applicability of and comply with any applicable federal, state or local laws or regulations.

The provisions of this Amendment shall be in addition to (and do not take the place of) the other terms and conditions of this Contract.

Except as changed by this amendment, all terms, conditions, limitations and exclusions of the Contract to which this amendment is attached will remain in full force and effect. This amendment shall become effective on the date stipulated above.
