

2/3/2022

Revisions to the [Electronic Visit Verification \(EVV\) Policy Handbook](#) will publish and be effective March 1, 2022. The handbook includes EVV standards and policy requirements for:

- Program providers
- Financial Management Services Agencies
- Consumer Directed Services employers
- Payers such as HHSC and MCOs

The revisions include clarification and corrections to the policies. The EVV Policy Handbook Revision Log – March 2022, lists the March 1, 2022 revisions. The pdf of these revisions will be posted in the EVV Policies section of the BCBSTX EVV Webpage. A public version of the PDF will publish on the [EVV webpage](#) after the revisions are published.
