

Reminder: Annual Electronic Visit Verification (EVV) Policy Training Webinars for Consumer Directed Services (CDS) Employers

October 11, 2022

HHSC will host two Electronic Visit Verification policy training webinars for Consumer Directed Services (CDS) employers required to use EVV. CDS employers may register for a webinar based on the option selected on Form 1722, Employer's Selection for EVV Responsibilities. Attending the webinar will complete the annual EVV policy training requirement.

Agenda

- [EVV Policy Handbook](#) revisions
- Updates and reminders
- Interactive exercise
- Question and answer session

Live closed captioning will be available.

Webinar Registration for CDS Employers

- For CDS employers who selected Option 1 on Form 1722, Oct. 20, 2023. Recorded session on HHS Learning Portal.
- For CDS employers who selected Option 2 or 3 on Form 1722, [register for the Nov. 3, 2–3:30 p.m. webinar](#).

If you are unable to attend a webinar, they will be recorded and posted to the [HHS Learning Portal](#) about 10 business days after each session. CDS employers may receive credit for annual EVV policy training by listening to or watching one of the recordings and completing all three steps in the course.

CDS employers who are new to EVV must complete the Initial EVV Policy Training for CDS Employers computer-based training course on the [HHS Learning Portal](#).
