

Social Determinants of Mental Health Care

Free Webinar and Continuing Education Credit

Join us for a one-hour webinar, **Social Determinants of Mental Health Care**. We will offer it twice:

- **Monday, March 4, 2024**, from 9 to 10 a.m. Central time.
- **Wednesday, March 6, 2024**, from 8 to 9 a.m. Central time.

To attend: [Visit this website](#) to choose your event and register.

The webinar offers one continuing medical education credit or continuing education unit. It is free to providers.

Tom Allen, M.D., and Kendell LeBray, M.P.H., will provide a high-level, introductory overview of the impact of social determinants on mental health, including on access to care. The webinar focuses on social determinants of mental health care in the primary care setting, with treatment options across various care settings. Webinar topics include:

- Behavioral health screenings
- Follow-up care
- Related quality measures

The American Osteopathic Colleges of Ophthalmology and Otolaryngology-Head and Neck Surgery is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. AOCOO-HNS designates this program for a maximum of 1.0 AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation.

Social Work CEUs approved by NASW-NM. The Licensee must maintain proof of continuing education courses taken for the past four (4) years. The New Mexico Regulations and Licensing Department, Boards and Commissions, Social Work Licensing Board reserves the right to audit a licensee's continuing education records as it deems necessary. This event has been approved for a total of 1.0 CEUs.

Physicians, nurses, physician assistants, and psychologists can use AOA Cat 1-4 credit toward licensure. Social workers and mental health counselors (LPC, LCPC, LPCC, LMFT) can use the Social Work CEU credit toward licensure.

The webinar material is for informational purposes only and is not a substitute for the independent medical judgment of a physician or other health care provider. Physicians and other health care providers are encouraged to use their own medical judgment based upon all available information and the condition of the patient in determining the appropriate course of treatment. References to other third-party sources or organizations are not a representation, warranty or endorsement of such organization. The fact that a service or treatment is described in this material, is not a guarantee that the service or treatment is a covered benefit and members should refer to their certificate of coverage for more details, including benefits, limitations and exclusions. Regardless of benefits, the final decision about any service or treatment is between the member and their health care provider.
