

Texas Medicaid Claims Editing Enhancements Effective November 25, 2022

August 18, 2022

What's happening

Effective November 25, 2022, Blue Cross and Blue Shield of Texas (BCBSTX) will enhance our claims editing and review process to help ensure accurate coding and reimbursement of services. Below is a list of policies that will be affected once the new edits go into effect.

Medicaid – Ambulatory Electroencephalogram (EEG)	
Topic	Description
Ambulatory Electroencephalogram (EEG)	Deny 95700 or 95705-95726 (EEG monitoring) when billed without an approved diagnosis on the claim.

Questions

For questions or additional information, please:

- Contact our BCBSTX Medicaid Provider Service Center at 1-877-560-8055 or
- Contact your BCBSTX Medicaid Provider Network Representative at 1-855-212-1615 or
- Submit via email to TexasMedicaidNetworkDepartment@bcbstx.com.

The above material is for informational purposes only and is not a substitute for the independent medical judgment of a physician or other health care provider. Physicians and other health care providers are encouraged to use their own medical judgment based upon all available information and the condition of the patient in determining the appropriate course of treatment. The fact that a service or treatment is described in this material is not a guarantee that the service or treatment is a covered benefit and members should refer to their certificate of coverage for more details, including benefits, limitations and exclusions. Regardless of benefits, the final decision about any service or treatment is between the member and their health care provider.
