# Blue Cross and Blue Shield of Texas (BCBSTX) Indices Webinar

November 8, 2022, at 1:00 p.m. Central Time (CST)

Join us [November 8, 2022 1:00 p.m. Central Time \(CST\)](#) for our webinar session hosted by Blue Cross and Blue Shield of Texas (BCBSTX) on Indices.

We are excited to provide you access to the reporting platform, **Indices: Value Based Program Insights (VBPI)**. Indices VBPI gives you direct, real time ability to access:

- Your patient care quality metrics,
- Quickly target specific measures to focus on,
- Manage your care gaps at the patient level.

During this session we will discuss the Indices VBPI Dashboards, including a review of the measure and provider performance and extracting the member details.

We look forward to seeing you!

To request an in-depth training session with the support team or if you experience a problem accessing the platform, please contact [IndicesTeam@hcsc.net](mailto:IndicesTeam@hcsc.net)

Together, we can help make the health care system work better for the health care consumers we serve.
