2022 Commercial Benefit Procedure Code List
Updated January 2022**

**EXCEPT AS OTHERWISE NOTED IN THE DATE COLUMN, THESE CODES ARE EFFECTIVE
ON OR BEFORE JANUARY 1, 2022**

Our medical policy impacts all our coverage decisions. This list includes Current Procedural Terminology (CPT®) and/or Healthcare Common Procedure Coding System (HCPCS) codes that, based on our medical policy, are:

- Subject to a medical necessity review,
- Candidates for a predetermination,
- Not a benefit for our members,
- Considered experimental, investigational and unproven (EIU), or
- Not on our prior authorization list (with some exceptions based on members' benefit plans)

This is not an exhaustive list of all codes. Codes may change, and this list may be updated throughout the year. The presence of codes on this list does not necessarily indicate coverage under the member benefits contract. Member contracts differ in their benefits. Consult the member benefit booklet or contact a customer service representative to determine coverage for a specific medical service or supply.

To make a request for a predetermination, refer to our Utilization Management information on our website. You can also submit a request through Availity. <https://www.availity.com/>
