Availity is a trademark of Availity, LLC, a separate company that operates a health information network to provide electronic information exchange services to medical professionals. Availity provides administrative services to BCBSTX

Carelon Medical Benefits Management is an independent company that has contracted with BCBSTX to provide utilization management services for members with coverage through BCBSTX.

BCBSTX makes no endorsement, representations or warranties regarding third party vendors and the products and services they offer.

Please note that verification of eligibility and benefits information, and/or the fact that any pre-service review has been conducted, is not a guarantee of payment. Benefits will be determined once a claim is received and will be based upon, among other things, the member's eligibility and the terms of the member's certificate of coverage applicable on the date services were rendered.
