This list is subject to change without notice. Product names are the property of their respective owners.

Pharmacy benefits and limits are subject to the terms set forth in the member's certificate of coverage. The listing of any particular drug or classification of drugs is not a guarantee of benefits. Members should refer to their certificate of coverage for more details, including benefits, limitations and exclusions. Regardless of benefits, the final decision about any medication is between the member and their health care provider.

The relationship between BCBSTX and the specialty pharmacies is that of independent contractors. BCBSTX contracts with Prime Therapeutics to provide pharmacy benefit management and related other services. BCBSTX, as well as several independent Blue Cross and Blue Shield Plans, has an ownership interest in Prime Therapeutics.
