*Required for renewal requests only. Must have at least a 50% reduction in LDL-C compared to LDL-C level prior to PCSK9 treatment initiation for patients with HeFH, at least a 30% reduction in LDL-C for patients with HoFH, 10% decrease for patients taking Nexletol and 15% decrease for patients taking Nexlizet for renewal approval.

By signing below, I, the prescriber, certify that the information provided above is verifiable and accurate to the best of my knowledge.

Prescriber Signature: _____ **Date:** _____

Prior Authorization of Benefits is not the practice of medicine or the substitute for the independent medical judgment of a treating physician. Only a treating physician can determine what medications are appropriate for a patient. Please refer to the applicable plan for the detailed information regarding benefits, conditions, limitations, and exclusions. The submitting provider certifies that the information provided is true, accurate, and complete and the requested services are medically indicated and necessary to the health of the patient.

Note: Payment is subject to member eligibility. Authorization does not guarantee payment.
