ACCREDO: THE MEDICINES YOU NEED AT YOUR DOOR AND ONE-ON-ONE CARE WHEN YOU WANT IT

Your health plan is here to give you a specialty pharmacy that offers the drugs and support you need to manage your complex health issues. That's what you get with Accredo.

Accredo is a safe, easy way to manage your health. It offers:

- Access to 99.9% of specialty drugs, which means you may be able to get all of them from one place
- Simple messaging, such as refill alerts by phone, email, text or web (your preferred method)
- A mobile app that allows you to refill and track orders, make payments and set alerts to take your drugs*
- 500 specialty pharmacists and 600+ nurses who provide one-on-one care
- Free shipments to your door
- 24/7 support

GET ONE-ON-ONE SUPPORT

Accredo has 15 Therapeutic Resource Centers® (TRCs), each focused on a health specialty. You'll have direct access to trained pharmacists and nurses who can counsel and inform you about your health condition. They'll discuss how to reduce the progress of your disease, meet your treatment goals, manage any side effects from your drugs, and find the best way to take them. They'll also watch your progress and offer support with any concerns you may have about costs or insurance.

It's easy to get started
