Making Life Easier with Service Coordination

The BCBSTX Service Coordination program helps you choose services that better manage your child's health condition, medication and treatment. Our service coordinators are dedicated to helping you find a doctor and community support or services. They will work with you, your family, doctors and specialists to coordinate your care.

To reach a service coordinator, call **1-877-301-4394** between 8 a.m. and 5 p.m. Central time, Monday through Friday.
