However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Medicare Select Plans require that you use a Blue Cross and Blue Shield of Texas network hospital for non-emergency admissions to receive coverage for the Medicare Part A deductible. Only certain hospitals are network hospitals under this policy.

⁴ Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

You have the option to purchase any of the Medicare Supplement benefit plans shown on the front cover in white as Standard Plans or as Medicare Select Plans, with the exception of Plan A, High Deductible Plan F¹, High Deductible Plan G¹, Plan K² and Plan L². Those plans are available as **Standard Plans only**.

Medicare Select Plans require that you use Blue Cross and Blue Shield of Texas contracting Medicare Select hospitals for non-emergency admissions to receive coverage for the Medicare Part A deductible. In an emergency, the \$1,632 deductible is covered at any hospital from which you receive care. Only certain hospitals are network providers under this policy. Check with your physician to determine if he or she has admitting privileges at the network hospital. If he or she does not, you may be required to use another physician at time of hospitalization or you will be required to pay for all expenses. If you move out of the service area, there will be a reduction of benefit coverage and you will have the opportunity to purchase any Medicare Supplement policy with comparable or lesser benefits offered by the insurer, or Medicare Supplement/Select plans A, B, C, F, K, or L from any insurer within 63 days of termination.

PREMIUM INFORMATION

Blue Cross and Blue Shield of Texas can only raise your premium if we raise the premium for all policies like yours in the state. Any rate increases are subject to approval by the Texas Department of Insurance. We will not change your premium or cancel your policy because of poor health. Premiums change at age 65 and every year thereafter up to age 100. If your premium changes, you will be notified at least 30 days in advance.

- One factor that will determine your premium is your gender. When completing the application, you will need to make a gender selection.
- A Tobacco User is a person who is permitted under state and federal law to legally use Tobacco, with Tobacco use (other than religious or ceremonial use of Tobacco) occurring on average of four or more times per week that last occurred within the past six months. Tobacco products include but are not limited to: cigarettes, cigars, smokeless tobacco products, electronic cigarettes, dissolvable tobacco products, vaping, etc. If you meet the definition of a Tobacco User, you may pay a higher premium for your health coverage.

A Blue Cross and Blue Shield of Texas Medicare Supplement premium discount may be available. Eligibility criteria are described below. If you are eligible for a discount, the discount will be applied to your next bill and remain in effect as long as you are enrolled in your Blue Cross and Blue Shield of Texas Medicare Supplement plan.

- Covered services are not available through a Medicare Select Hospital.
