### **What to do now**

#### **1. ASK: Which changes apply to you**

- Check the changes to our benefits and costs to see if they affect you.
  - It's important to review your coverage now to make sure it will meet your needs next year.
  - Do the changes affect the services you use?
  - Look in Sections 1.1 and 1.5 for information about benefit and cost changes for our plan.
- Check the changes in the booklet to our prescription drug coverage to see if they affect you.
  - Will your drugs be covered?
  - Are your drugs in a different tier, with different cost sharing?
  - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
  - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
  - Review the 2019 Drug List and look in Section 1.6 for information about changes to our drug coverage.
  - Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs throughout the year. To get additional information on drug prices visit <https://go.medicare.gov/drugprices>. These dashboards highlight which manufacturers have been increasing their prices and also show other year-to-year drug price information. Keep in mind that your plan benefits will determine exactly how much your own drug costs may change.

- Check to see if your doctors and other providers will be in our network next year.
  - Are your doctors in our network?
  - What about the hospitals or other providers you use?
  - Look in Section 1.3 for information about our Provider Directory.
- Think about your overall health care costs.
  - How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
  - How much will you spend on your premium and deductibles?
  - How do your total plan costs compare to other Medicare coverage options?
- Think about whether you are happy with our plan.

## 2. **COMPARE:** Learn about other plan choices

- Check coverage and costs of plans in your area.
  - Use the personalized search feature on the Medicare Plan Finder at <https://www.medicare.gov> website. Click “Find health & drug plans.”
  - Review the list in the back of your Medicare & You handbook.
  - Look in Section 2.2 to learn more about your choices.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.

## 3. **CHOOSE:** Decide whether you want to change your plan

- If you want to **keep** Blue Cross Medicare Advantage Dual Care (HMO SNP)<sup>SM</sup>, you don’t need to do anything. You will stay in Blue Cross Medicare Advantage Dual Care (HMO SNP)<sup>SM</sup>.

## SECTION 1 Changes to Medicare Benefits and Costs for Next Year

### Section 1.1 – Changes to the Monthly Premium

Cost	2018 (this year)	2019 (next year)
<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium unless it is paid for you by Texas Health and Human Services Commission (Medicaid Program).)	\$24.50	\$23.90

### Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

Cost	2018 (this year)	2019 (next year)
<b>Maximum out-of-pocket amount</b> <b>Because our members also get assistance from Texas Health and Human Services Commission (Medicaid Program), very few members ever reach this out-of-pocket maximum.</b> If you are eligible for Medicaid assistance with Part A and Part B copays and deductibles, you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services. Your costs for covered medical services (such as copays and deductibles) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	\$6,700	\$6,700 Once you have paid \$6,700 out-of-pocket for covered services, you will pay nothing for your covered services for the rest of the calendar year.

## Section 1.3 – Changes to the Provider Network

---

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at [www.getbluetx.com/dsnp](http://www.getbluetx.com/dsnp). You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2019 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

---

## Section 1.4 – Changes to the Pharmacy Network

---

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated Pharmacy Directory is located on our website at [www.getbluetx.com/dsnp/pharmacies](http://www.getbluetx.com/dsnp/pharmacies). You may also call Customer Service for updated provider information or to ask us to mail you a Pharmacy Directory. **Please review the 2019 Pharmacy Directory to see which pharmacies are in our network.**

## Section 1.5 – Changes to Benefits and Costs for Medical Services

## Section 1.6 – Changes to Part D Prescription Drug Coverage

### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is in this envelope.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. **We encourage current members** to ask for an exception before next year.
  - To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Customer Service.
- **Work with your doctor (or prescriber) to find a different drug** that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. For 2019, members in long-term care (LTC) facilities will now receive a temporary supply that is the same amount of temporary days supply provided in all other cases: a 31-day supply of medication rather than the amount provided in 2018 (up to a 98-day supply of medication). (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

Starting in 2019, we may immediately remove a brand name drug on our Drug List if, at the same time, we replace it with a new generic drug on the same or lower cost sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions. This means if you are taking the brand name drug that is being replaced by the new generic (or the tier or restriction on the brand name drug changes), you will no longer always get notice of the change 60 days before we make it or get a 60-day refill of your brand name drug at a network pharmacy. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.

Also, starting in 2019, before we make other changes during the year to our Drug List that require us to provide you with advance notice if you are taking a drug, we will provide you with notice 30, rather than 60 days before we make the change. Or we will give you a 30-day supply, rather than a 60-day, refill of your brand name drug at a network pharmacy.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about the changes we may make to the Drug List, see Chapter 5, Section 6 of the *Evidence of Coverage*.)

## Changes to Prescription Drug Costs

*Note:* If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. Because you receive “Extra Help” and didn’t receive this insert with this packet, please call Customer Service and ask for the “LIS Rider.” Phone numbers for Customer Service are in Section 6.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look in your *Summary of Benefits* or at Chapter 6, Sections 6 and 7, in the *Evidence of Coverage*.)

### Changes to the Deductible Stage

<b>Stage 1: Yearly Deductible Stage</b>	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

### Changes to Your Cost-sharing in the Initial Coverage Stage

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, *Types of out-of-pocket costs you may pay for covered drugs* in your *Evidence of Coverage*.

### Changes to the Coverage Gap and Catastrophic Coverage Stages

The Coverage Gap Stage and the Catastrophic Coverage Stage are two other drug coverage stages for people with high drug costs. **Most members do not reach either stage.**

For information about your costs in these stages, look at your *Summary of Benefits* or at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

## SECTION 2 Deciding Which Plan to Choose

### Section 2.1 – If you want to stay in Blue Cross Medicare Advantage Dual Care (HMO SNP)

**To stay in our plan, you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for 2019.

- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 6.1 of this booklet).

- – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

## SECTION 3 Changing Plans

If you want to change to a different plan or Original Medicare for next year, you can do it from now until December 31. The change will take effect on January 1, 2019.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. Starting in 2019, there are new limits on how often you can change plans. For more information, see Chapter 10, Section 2.1 of the *Evidence of Coverage*.

**Note:** Effective January 1, 2019, if you’re in a drug management program, you may not be able to change plans.

If you enrolled in a Medicare Advantage plan for January 1, 2019, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2019. For more information, see Chapter 10, Section 2.3 of the *Evidence of Coverage*.

## SECTION 4 Programs That Offer Free Counseling about Medicare and Texas Health and Human Services Commission (Medicaid Program)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Texas, the SHIP is called Health Information, Counseling, and Advocacy Program (HICAP).

Health Information, Counseling, and Advocacy Program (HICAP) is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Health Information, Counseling, and Advocacy Program (HICAP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Health Information, Counseling, and Advocacy Program (HICAP) at 1-800-252-9240. You can learn more about Health Information,

Counseling, and Advocacy Program (HICAP) by visiting their website ([www.tdi.texas.gov/consumer/hicap/](http://www.tdi.texas.gov/consumer/hicap/)).

For questions about your Texas Health and Human Services Commission (Medicaid Program) benefits, contact Texas Health and Human Services Commission (Medicaid Program) at 1-800-252-8263. Hours are Monday – Friday, 7:00 a.m. - 7:00 p.m. local time. You may also visit their website at [www.hhsc.state.tx.us](http://www.hhsc.state.tx.us). Ask how joining another plan or returning to Original Medicare affects how you get your Texas Health and Human Services Commission (Medicaid Program) coverage.

## SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** Because you have Texas Health and Human Services Commission (Medicaid Program), you are already enrolled in ‘Extra Help,’ also called the Low Income Subsidy. Extra Help pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about Extra Help, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 7 am and 7 pm, Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
  - Your State Medicaid Office (applications).
- **Help from your state’s pharmaceutical assistance program.** Texas has a program called the Kidney Health Care Program (KHC) and Texas HIV Medication Program (THMP) that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Section 4 of this booklet).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Texas HIV Medication Program (THMP), PO Box 149347 MC1873 Austin, TX 78714, [www.dshs.state.tx.us/hivstd/meds](http://www.dshs.state.tx.us/hivstd/meds). For information on eligibility criteria, covered drugs, or how to enroll in the program, please call 1-800-255-1090 (TTY 1-800-735-2889).
