Using This Directory to Find a Blue Choice PPO™ Participating Provider

Each time you or a covered family member needs medical care, use this directory to find Blue Choice PPO participating providers, such as:

- Doctors for routine and preventive care (check the listings for Primary Care Practitioners)
- Hospitals
- Specialists or other health care providers

Primary Care Practitioners are available for most routine and preventive care, while specialists generally practice only in the fields where they’re listed in this directory.

MORE INFORMATION IS JUST A CLICK AWAY

We continue to update the Blue Choice PPO™ provider directory as changes occur. New doctors and providers contract to be in the network, others may change their office addresses and some leave the network. For the most up-to-date information, check Provider Finder® at www.bcbstx.com where you can find the doctor’s, hospital’s or other health care provider’s address and phone number that you can send directly to your phone. In addition, there are maps for Primary Care Practitioners, specialists and hospitals to help locate them. Also, you can find the practice limitations, languages spoken, gender, professional affiliations and whether or not new patients are accepted. To report inaccurate information, send it to TXProviderUpdateSubmission@bcbstx.com.

If you’re already a member and you’d rather speak with someone, call Customer Service at 1-800-521-2227 (Monday through Friday from 8:00 a.m. to 8:00 p.m. Central Time).

IF YOU’RE THINKING ABOUT ENROLLING
