BlueCare Dental^{SM} 1D

Blue Cross and Blue Shield of Texas *(herein called "BCBSTX, We, Us, Our")*

REQUIRED OUTLINE OF COVERAGE

I. Read Your Policy Carefully. This Outline of Coverage provides a very brief description of some important features of Your Policy. This is not the insurance Policy and only the actual Policy provisions will control. The Policy itself sets forth, in detail, the rights and obligations of You, Your Physician or Professional Other Provider and Us. It is, therefore, important that You **READ YOUR POLICY CAREFULLY!**

Changes in some state or federal law or regulations or interpretations thereof may change the terms and conditions of coverage.

II. The Policy is designed to provide You with coverage for diagnostic and preventive dental care, as well as almost every form of specialty dental treatment.

Coverage is provided for the Benefits outlined in Paragraph III. The Benefits described in Paragraph III may be limited by Paragraph IV.

III. Benefits. Your dental care Benefits are highlighted below.

A. **Benefit Period –** Your Benefit Period is a Calendar Year (begins January 1 and ends December 31).

B. **Deductible –** The Calendar Year Deductible will be subtracted once during each Calendar Year from each Participant's total Eligible Expenses.

Benefits	Deductible Amount
Calendar Year Deductibles • Individual • Maximum Annual Deductible per Family	 $50 $150

C. **Covered Services** – All Benefits are based upon the Allowable Amount, which is the amount determined by BCBSTX as the maximum amount eligible for payment of Benefits. A Contracting Dentist cannot balance bill for charges in excess of the Allowable Amount. Benefits for services provided by a Non-Contracting Dentist will be based upon the same Allowable Amount, and it is likely that the Non-Contracting Dentist will balance bill for amounts above this, resulting in higher out-of-pocket expenses. A 6-month waiting period applies to some services.

The Deductibles, Coinsurance Amount, Annual Maximum and/or Out-of-Pocket Limits below are subject to change as permitted by applicable law.

Covered Services	Benefit Payable Adult Services (Age 19 and Over)	Benefit Payable Pediatric Services (Applies to Dependent Children under the age of 19.)

All Benefits are based upon the Allowable Amount, which is the amount determined by BCBSTX as the maximum amount eligible for payment of Benefits. A Contracting Dentist cannot balance bill for charges in excess of the Allowable Amount. Benefits for services provided by a Non-Contracting Dentist will be based upon the same Allowable Amount, and it is likely that the Non-Contracting Dentist will balance bill for amounts above this, resulting in higher out-of-pocket expenses.

Your Dentist may provide Teledentistry Dental Services, which may also include Teledentistry Dental Services which are delegated and supervised by your Dentist on the same basis and to the same extent that this Policy provides coverage for the service or procedure in an in-person setting. Deductibles, Copayments, Coinsurance or Annual Maximum Benefits for Eligible Expenses will be the same as required for an in-person consultation.

IV. Limitations and Exclusions

These general Limitations and Exclusions apply to all services described in the dental Policy. Dental coverage is limited to services provided by a Dentist or a dental auxiliary licensed to perform services covered under this dental Policy.

Important Information About Your Dental Benefits

- **Dental Procedures Which Are Not Dentally Necessary**

  Please note that in order to provide You with dental care Benefits at a reasonable cost, this Policy provides Benefits only for those covered services for eligible dental treatment that are determined by BCBSTX to be Dentally Necessary.

  No Benefits will be provided for procedures which are not Dentally Necessary. Dentally Necessary generally means that a specific procedure provided to You is required for the treatment or management

of a dental symptom or condition and that the procedure performed is the most efficient and economical procedure which can safely be provided to You, as determined by BCBSTX.

The fact that Dentist may prescribe, order, recommend or approve a procedure does not of itself make such a procedure or supply Dentally Necessary.

- **Care By More Than One Dentist**

  If You change Dentists in the middle of a particular Course of Treatment, Benefits will be provided as if You had stayed with the same Dentist until Your treatment was completed. There will be no duplication of Benefits.

- **Alternate Benefits**

  In all cases in which there is more than one covered procedure or Course of Treatment possible to treat your dental condition, the Benefit will be based upon the least costly covered procedure or Course of Treatment, as determined by BCBSTX. If the Participant requests or accepts the more costly service, the Participant is responsible for expenses that exceed the amount covered for the least costly service.

  When two or more services are submitted and the services are considered part of the same service, We will pay the most comprehensive service as determined by BCBSTX.

  When two or more services are submitted on the same day and the services are considered mutually exclusive (one service contradicts the need for the other service), We will pay for the service that represents the final treatment as determined by BCBSTX.

  If You and Your Dentist decide on personalized restorations, or personalized complete or partial dentures and overdentures, or to employ specialized techniques for dental services rather than standard procedures, the Benefits provided will be limited to the Benefit for the least costly Course of Treatment or procedures for dental services, as determined by Us.

- **Non-Compliance with Prescribed Care**

  Any additional treatment and resulting liability which is caused by the lack of a Participant's cooperation with the Dentist or from non-compliance with prescribed dental care will be the responsibility of the Participant.
