

Conozca su red de hospitales

Las redes del plan **Blue Choice PPOSM** y del plan **Blue Advantage HMOSM** de Blue Cross and Blue Shield of Texas a partir de septiembre del 2014

Conozca su red. Su plan tiene su propia red de proveedores, un grupo selecto de médicos, clínicas y farmacias que han acordado proveer una gama amplia de servicios para el cuidado de la salud que están cubiertos para su plan. Para aprovechar sus beneficios al máximo, es importante que use los proveedores en la red de su plan. Si usted usa proveedores que no forman parte de la red, tendrá que pagar más dinero. Si usted tiene un plan HMO, es posible que tenga que pagar el monto completo por el servicio. **El acudir a un hospital que no forma parte de su red significa que usted pudiera tener que pagar algunas o todas las facturas del hospital.**

Los siguientes hospitales son proveedores de las redes de los planes Blue Cross and Blue Shield of Texas *Blue Choice PPO* y *Blue Advantage HMO*. A los hospitales que pertenecen a una red se les ha marcado un punto en la columna de esa red en particular. Los hospitales están enumerados en orden alfabético por ciudad. Si necesita cuidados médicos cuando se encuentra fuera del área de servicio local, puede encontrar a un proveedor participante de BlueCard[®] al llamar al 1-800-676-BLUE (2583).

Aunque de vez en cuando pudiera hacerse un cambio en su Red de Hospitales, la selección de Hospitales Participantes continuará basándose en una gama de servicios, localización geográfica y la efectividad del costo del cuidado de la salud. Para tener a la mano una lista actualizada, por favor visite nuestro recurso *Provider Finder[®]* en español.bcbstx.com.
