

PPO Select[®] Choice

Blue Cross and Blue Shield of Texas (*herein called "We, Us, Our"*)
Preferred Provider Plan providing Comprehensive Major Medical Coverage

REQUIRED OUTLINE OF COVERAGE

I. Read Your Policy Carefully. This Outline of Coverage provides a very brief description of some important features of Your Policy. This is not the insurance Policy and only the actual Policy provisions will control. The Policy itself sets forth, in detail, the rights and obligations of You, Your Physician or Professional Other Provider and Us. It is, therefore, important that You **READ YOUR POLICY CAREFULLY!**

Changes in some state or federal law or regulations or interpretations thereof may change the terms and conditions of coverage.

II. This Plan is designed to provide You with coverage for major hospital, medical, and surgical expenses that You incur for necessary treatment and services rendered as the result of a covered injury or sickness.

Coverage is provided for the benefits outlined in Paragraph III. The benefits described in Paragraph III may be limited by Paragraph IV.

III. Benefits. We have a network of Providers to serve Participants throughout Texas called the Network. When You use these Providers, You receive Network Benefits. You will receive a Provider Directory listing these Providers when You enroll and at least annually thereafter.

Providers not listed in the directory are called Out-of-Network Providers. When You use these Providers, You will receive Out-of-Network Benefits except in special situations as explained in Your Policy.

Hereafter, Dependent child, child or children means a natural child of the Subscriber, a stepchild, a legally adopted child of the Subscriber (including a child for whom the Subscriber is a party in a suit in which the adoption of the child is being sought), or a child for whom the Subscriber is the legal guardian, under twenty-six (26) years of age, regardless of the presence or absence of a child's financial dependency, residency, student status, employment status, marital status, or any combination of those factors. An unmarried grandchild must be dependent on the Subscriber for Federal income tax purposes at the time application for coverage to be eligible for coverage under the Policy.

- A. **Benefit Period** – Your Benefit Period is a Calendar Year (begins January 1 and ends December 31).
- B. **Deductible** – The Calendar Year Deductible will be subtracted once during each Calendar Year from each Participant's total Eligible Expenses. The family Deductible is three times the individual Deductible amount. No Participant will be required to satisfy more than the individual Deductible amount toward the family Deductible amount. The amount of Your Deductibles will be as selected below:

Options	Network Deductibles		Out-of-Network Deductibles	
	Individual	Family	Individual	Family
Plan I <input type="checkbox"/>	\$250	\$750	\$500	\$1,500
Plan II <input type="checkbox"/>	\$500	\$1,500	\$1,000	\$3,000
Plan III <input type="checkbox"/>	\$1,000	\$3,000	\$2,000	\$6,000

Plan IV	<input type="checkbox"/>	\$1,500	\$4,500	\$3,000	\$9,000
Plan V	<input type="checkbox"/>	\$2,500	\$7,500	\$5,000	\$15,000
Plan VI	<input type="checkbox"/>	\$3,500	\$10,500	\$7,000	\$21,000
Plan VII	<input type="checkbox"/>	\$5,000	\$15,000	\$10,000	\$30,000
Plan VIII	<input type="checkbox"/>	\$10,000	\$30,000	\$20,000	\$60,000

C. **Copayment Amount** – The Copayment Amount will be required for each Physician office visit.

Options	Network Copayment Amount	Out-of-Network Copayment Amount
<i>Applicable to all Plans</i> Physician office visits*	\$25	None

*All other *Medical-Surgical Expense* (diagnostic lab and x-ray) will be subject to Deductible and Coinsurance Amounts.

D. **Preauthorization** – Preauthorization is required for all Hospital Admissions, *Extended Care Expense*, Home Infusion Therapy and organ and tissue transplants. You, Your Physician or Professional Other Provider or a family member must call the toll-free telephone number listed on the back of the Identification Card.

When a Hospital Admission is preauthorized, a length-of-stay is assigned. This Policy is required to provide a minimum length of stay in a Hospital for the treatment of breast cancer as follows:

Treatment of Breast Cancer

- (1) 48 hours following a mastectomy, and
- (2) 24 hours following a lymph node dissection.

Failure to preauthorize will result in a \$250 penalty for Hospital Admissions. A penalty in the amount of 50% not to exceed \$500 will apply to *Extended Care Expense* or Home Infusion Therapy for failure to preauthorize.

E. **Eligible Expenses** – After the applicable Deductible(s), if any, are met, Your coverage pays 80% of the Allowable Amount for Eligible Expenses provided by a Network Provider and 70% of the Allowable Amount for Eligible Expenses rendered by an Out-of-Network Provider, subject to other provisions of the Policy. The remainder of these Eligible Expenses becomes “Coinsurance Amounts” and must be paid by You.

IMPORTANT TO YOUR COVERAGE

To pay less out-of-pocket expenses and to receive the higher level of benefits for your health care costs, it is to your advantage to use Network Providers. If you use Network Providers, you will not be responsible for any charges over the Allowable Amount as determined by BCBSTX. What follows is an example of how much you would pay if you use a Network Provider and how much you would pay if you use a non-contracting Out-of-Network Provider. To make the example easier to follow, assume the Allowable Amount is the same. (NOTE: In most cases, however, the non-contracting Allowable Amount will be less than the contracting Allowable Amount your total payment responsibility will be even greater.)

EXAMPLE ONLY	In-Network	Out-of-Network
	80% of eligible charges \$250 Deductible	70% of eligible charges \$500 Deductible
Amount Billed	\$20,000	\$20,000
Allowable Amount	\$5,000	\$5,000
Deductible Amount	\$250	\$500
Plan's Coinsurance Amount	\$3,800	\$3,150
Your Coinsurance Amount	\$950	\$1,350
Non-Contracting Provider's additional charge to you	None	\$15,000 ¹
YOUR TOTAL PAYMENT	\$1,200 to a Network Provider	\$16,850 to a Non-contracting Out-of-Network Provider

Even when you consult a Network Provider, ask questions about any of the Providers rendering care to you. For example, if you are scheduled for surgery, ensure that your Network surgeon will be using a Network facility for your procedure and a Network Provider for your anesthesia services.

¹ If you choose to receive services from an Out-of-Network Provider, inquire if he participates in a contractual arrangement with BCBSTX. Providers who do not contract with BCBSTX or any other Blue Cross and Blue Shield plan may bill the patient for expenses over the Allowable Amount. Please refer to the section entitled *PARPLAN* in the Policy.
