

271 – Data Return BH Specific

(E&B Addendum)

Benefit Qualifiers:

Focused Outpatient Management Program (FOMP)

FOMP uses **data-driven** and **clinical** intelligence rules to identify members whose treatment may benefit from further review and collaboration. Providers will receive a written request for additional clinical information when a FOMP member may potentially benefit from further treatment review.

Preauthorization is required from the following outpatient services when rendered to FOMP members:

- Electroconvulsive Therapy (ECT)
- Psychological Testing

The **Benefit Description** will advise if a member is included in this program.
