### Please Note

Throughout this provider manual, there will be instances when there are references unique to Blue Essentials, Blue Advantage HMO and Blue Premier. These network specific requirements will be noted with the network name.

### Referral Notification Process

The referral notification process is a mechanism by which a primary care physician/provider (PCP) or professional provider can refer his or her members for care and services to specialty care physicians or professional providers.

*Note: Refer to the “Behavioral Health” section of this Manual for information on referral information for behavioral health services.*

### Who Requests Referrals?

Blue Essentials, Blue Advantage HMO and Blue Premier referrals may be requested by either the patient’s primary care physician/provider or backup primary care physician/provider.

### When is a Referral Necessary?

Each Blue Essentials, Blue Advantage HMO or Blue Premier member must select a PCP who is responsible for managing all aspects of the patient’s care, including referrals to specialty care physicians, professional providers, facility or ancillary providers. Referrals must be made to physicians, professional providers facilities or ancillary providers who participate in the same Provider Network. Authorization for out-of-network providers is granted only when a participating provider is not available. Blue Essentials, Blue Advantage HMO and Blue Premier members require a referral before the patient receives services from a specialty care physician, professional provider, facility or ancillary provider. This referral must be initiated by the PCP and must be obtained through iExchange prior to the services being rendered.

If a participating physician or professional provider must direct the patient to an out-of-network physician or professional provider, a referral must be authorized by the Blue Essentials, Blue Advantage HMO or Blue Premier Utilization Management Department prior to the services being rendered.

*EXCEPTION:* Participating OBGyn physicians have the ability to directly manage and coordinate a woman’s care for gynecological and obstetrical conditions, including obtaining referrals through iExchange for gynecologically related specialty care and testing to other participating Blue Essentials, Blue Advantage HMO and Blue Premier physicians, professional providers, facilities or ancillary providers who participate in the same Provider Network as the Blue Essentials, Blue Advantage HMO or Blue Premier member’s PCP.

Please Note
Throughout this provider manual, there will be instances when there are references unique to Blue Essentials, Blue Advantage HMO and Blue Premier. These network specific requirements will be noted with the network name.

Important Information About the Referral Notification Program
The following outlines important information about the Blue Essentials, Blue Advantage HMO and Blue Premier Referral Notification Program.

- **Peer Clinical Review** — If information received in the out-of-network referral notification process does not satisfy established criteria, the case will be referred to an HMO Blue Texas, Blue Advantage HMO or Blue Premier Physician Reviewer for review. Additional medical information may be necessary in these cases.

- **Notification** — Blue Essentials, Blue Advantage HMO or Blue Premier will mail letters to the specialty care/servicing physician or professional provider and the Blue Essentials, Blue Advantage HMO or Blue Premier member. This notification will be sent upon completion of the initial referral process, upon completion of a referral extension or upon denial of an initial referral or extension.

- **Referrals to Specialty Care Physicians or Professional Providers** — Referrals to specialty care physicians or professional providers, except OBGyns, must be initiated by the Blue Essentials, Blue Advantage HMO or Blue Premier PCP to participating Blue Essentials, Blue Advantage HMO or Blue Premier physician or professional provider within the same Provider Network. An Blue Essentials, Blue Advantage HMO or Blue Premier Utilization Management Department approval is required for all out-of-network/plan referrals. A PCP may not refer to himself/herself as a specialty care physician or professional provider when treating the member who is already on his/her PCP list.

Refer to the detailed information and instructions in Section C which discusses the iExchange System for referrals.

The iExchange System provides an immediate referral confirmation number at the end of each transaction and notification letters are automatically generated to the specialty care physician or professional provider and the Blue Essentials, Blue Advantage HMO or Blue Premier member.

Important Information About the Referral Notification Program, cont’d
If the specialty care physician or professional provider determines that a Blue Essentials, Blue Advantage HMO or Blue Premier member needs to be seen by another Blue Essentials, Blue Advantage HMO or Blue Premier specialty care physician or professional provider, the Blue Essentials, Blue Advantage HMO or Blue Premier member must be referred back to the member’s PCP.

Note: The specialty care physician or professional provider cannot refer on to other specialty care physicians or professional providers. (EXCEPTION: participating OBGyn physicians have the ability to directly manage and coordinate a woman’s care for gynecological and obstetrical conditions, including obtaining referrals through iExchange for gynecologically related specialty care and testing to other participating Blue Essentials, Blue Advantage HMO or Blue Premier physicians who participate in the same Provider Network as the Blue Essentials, Blue Advantage HMO or Blue Premier member’s PCP.

• Self-Directed Care — If an Blue Essentials, Blue Advantage HMO or Blue Premier member is treated by an Blue Essentials, Blue Advantage HMO or Blue Premier physician or professional provider other than the PCP or a participating OBGyn without a referral, the service provided will not be covered by Blue Essentials, Blue Advantage HMO or Blue Premier. A Blue Advantage Plus HMO member can choose to self-direct their care under their out-of-network benefits at a higher member cost share.

• Benefit Decision — The decision to provide treatment is between the patient and the PCP or specialty care physician or professional provider. Blue Essentials, Blue Advantage HMO or Blue Premier determines what is covered and payable under the benefit plan.

Note: Referral confirmation is not verification and does not guarantee payment. Payment is subject, but not limited to eligibility, contractual limitations, and payment of premium on the date(s) of service.

Please Note

Blue Essentials, Blue Advantage HMO and Blue Premier Utilization Management must review all requests for Out-of-Plan or Out-of-Network referrals prior to an Blue Essentials, Blue Advantage HMO or Blue Premier patient receiving care. The PCP must contact the Blue Essentials, Blue Advantage HMO or Blue Premier Utilization Management Department at the applicable number listed on the next page to request consideration of an Out-of-Plan or Out-of-Network referral. The request will be reviewed and the Blue Essentials, Blue Advantage HMO and Blue Premier Utilization Management Department will forward a determination letter to the Out-of-Plan or Out-of-Network physician or professional provider.

Prior to referring a Blue Advantage Plus HMO (Point of Service benefit plan) enrollee to an out-of-network provider for non-emergency services, if such services are also available through an in-network Blue Advantage HMO provider, as a participating network provider, you must complete the appropriate form below:

- **Out-of-Network Care - Enrollee Notification Form for Regulated Business** (use this form if "TDI" is on the member's ID card)
- **Out-of-Network Care - Enrollee Notification Form for Non-Regulated Business** (use this form if "TDI" is not on the member's ID card)

As the referring network physician you must provide a copy of the completed form to the enrollee, and retain a copy in his or her medical record files. Use of this form is subject to periodic audit to determine compliance with this administrative requirement outlined in this provider manual Section G – Principles of Medical Record Documentation.

Please note: The Out-Of-Network Enrollee Notification Form is not applicable for Out-of-Plan or Out-of-Network referrals due to network inadequacy or continuity of care. In these cases, the referring network physician should contact the Utilization Management Department at the applicable number on the next page for consideration of approval for out-or-network referral or authorization.
Please Note
