**The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bcbstx.com/bb/ind/bb_sh6a03bftitxp_tx_2026.pdf or by calling 1-888-697-0683. | Important Questions | Answers | Why This Matters: |
|---|---|---|
| **What is the overall deductible?** | $0 | See the Common Medical Events chart below for your costs for services this plan covers. |
| **Are there services covered before you meet your deductible?** | Yes. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. |
| **Are there other deductibles for specific services?** | No. | You don't have to meet deductibles for specific services. |
| **What is the out-of-pocket limit for this plan?** | $925 Individual / $1,850 Family | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| **What is not included in the out-of-pocket limit?** | Premiums, balance-billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| **Will you pay less if you use a network provider?** | Yes. See www.bcbstx.com/go/mbh or call 1-888-697-0683 for a list of Participating providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| **Do you need a referral to see a specialist?** | Yes. | This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist. |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
