

This chart shows the benefits included in each of the standard Medicare supplement plans sold for effective dates on or after June 1, 2010. Every company must make Plan "A" available. Blue Cross and Blue Shield of Texas does not offer those plans shaded in gray below.

**BASIC BENEFITS:**

- Hospitalization – Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.
- Medical Expenses – Part B coinsurance (generally 20% of Medicare-approved expenses), or copayments for hospital outpatient services. Plans K, L and N require insureds to pay a portion of Part B coinsurance or copayments.
- Blood – First 3 pints of blood each year.
- Hospice – Part A coinsurance.

\* Plan F also has an option called a high deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar-year \$2,240 deductible. Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed \$2,240. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible. Medicare Select Plans require that you use a Blue Cross and Blue Shield of Texas Network Hospital for non-emergency admissions to receive coverage for the Medicare Part A deductible. Only certain hospitals are Network Hospitals under this policy. Plan A and High Deductible Plan F are not available for Medicare Select.

## Premium Information

Blue Cross and Blue Shield of Texas can only raise your premium if we raise the premium for all policies like yours in this state. We will not change your premium or cancel your policy because of poor health. Premiums change at ages 67, 70, 75, 80 and 85. Premiums also change if you change your primary place of residence. If your premium changes, you will be notified at least 30 days in advance.

You have the option to purchase any of the Medicare Supplement benefit plans shown on the front cover in white as Standard Plans or as Medicare Select Plans, with the exception of Plan A and High Deductible Plan F which are available as a Standard Plan only. Check with your Physician to determine if he or she has admitting privileges at a Network Hospital. If he or she does not, you may be required to use another Physician at the time of hospitalization or you will be required to pay the Part A Deductible. Medicare Select Plans require that you use a Blue Cross and Blue Shield of Texas Network Medicare Select hospital for non-emergency admissions to receive coverage for the Medicare Part A deductible.

## DISCLOSURES

---

Use this outline to compare benefits and premiums among policies.

### **READ YOUR POLICY VERY CAREFULLY**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and Blue Cross and Blue Shield of Texas.

### **RIGHT TO RETURN YOUR POLICY**

If you find that you are not satisfied with your policy, you may return it to Blue Cross and Blue Shield of Texas, P.O. Box 660717, Dallas, TX 75266-0717. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and will return all of your payments.

### **POLICY REPLACEMENT**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

### **NOTICE**

This policy may not fully cover all of your medical costs. Blue Cross and Blue Shield of Texas is not connected with Medicare. This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult *Medicare and You* for more details.

### **LIMITATIONS AND EXCLUSIONS**

Your Medicare Supplement policy will not contain limitations and exclusions that are more restrictive than the limitations and exclusions contained in Medicare. The limitations and exclusions include:

- Charges for any services or supplies to the extent those charges are covered under Medicare; and
- Charges for any services or supplies provided to you prior to your effective date under the policy.

### **SUSPENSION AND/OR REFUND OF PREMIUM**

Benefits and premiums under this policy may be suspended for up to 24 months if you become entitled to benefits under Medicaid. You must request that your policy be suspended within 90 days of becoming entitled to Medicaid. If you lose (are no longer entitled to) benefits from Medicaid, this policy can be reinstated if you request reinstatement within 90 days of the loss of such benefits and pay the required premium.

Upon termination of this Policy in any manner, including death of the Subscriber, Blue Cross and Blue Shield of Texas will refund to the Subscriber or his personal representative any portion of the premium previously paid which is applicable to Policy months following the month in which the termination occurred. (See discussion above if rescission occurs.)

### **COMPLETE ANSWERS ARE VERY IMPORTANT**

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. Blue Cross and Blue Shield of Texas may cancel your policy and refuse to pay any claims if you leave out or falsify important information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

\* Plan F also has an option called a high deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar-year \$2,240 deductible. Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed \$2,240. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.
