Now all employees can save money and earn rewards when they choose a cost-effective, trusted provider for services like ultrasounds, CT scans, and MRIs.

Next week, we'll send one email to TRS-ActiveCare Primary and TRS-ActiveCare Primary+ participants and one to TRS-ActiveCare HD participants about all the great features of Member Rewards. So, how does it work for each plan?

TRS-ActiveCare HD Plan

Participants can use their rewards toward vision and dental expenses. To get started, they can:

1. Use [Provider Finder](#)® to find a rewards-eligible location for a procedure or service. They can also call a Personal Health Guide (PHG) at **1-866-355-5999** for help.
2. Next, they can call and schedule the procedure or service at the location they chose or have a PHG schedule the appointment for them.
3. Once they've completed the treatment, the claim is paid and the location is verified as rewards-eligible, they can use the reward for incurred dental or vision services by submitting the HCA limited purposes reimbursement form.

TRS-ActiveCare Primary and TRS-ActiveCare Primary+ Plans

Participants can use their rewards toward the cost of future medical or pharmacy expenses by reducing copays or coinsurance.* To get started, they can:

1. Use [Provider Finder](#)® to search for a rewards-eligible location for a procedure or service. They can also call a PHG at **1-866-355-5999** for help.
2. Ask their Primary Care Provider for a referral, then call and schedule the procedure or service at the location they chose or have a PHG schedule the appointment for them.
3. Once they've completed the treatment, the claim is paid and the location is verified as rewards-eligible, the reward will be deposited into a Health Care Account (HCA).**

Other features of Member Rewards for all TRS-ActiveCare plans include:

- The maximum reward amount per participant, per plan year is \$599.
- Unused rewards roll over to the next plan year, but participants will lose rewards if they cancel their health plan.
