To support your district's unique needs, TRS established a team of District Ambassadors. This dedicated team is your constant connection to TRS and Blue Cross and Blue Shield of Texas (BCBSTX).

They're available throughout the Lone Star State. Why? Because TRS wants every school district, from the North Texas plains to the Gulf Coast, to have the exceptional, localized support they deserve.

- partner with you on district-specific strategic initiatives like health fairs, benefits presentations, and Annual Enrollment support
- analyze your district utilization trends to help your employees maximize their benefits and reduce out-of-pocket costs
- provide education and guidance about developments in TRS and legislation affecting your district health plans
