## IT'S TIME TO PICK A 2021-22 HEALTH PLAN

Hello,

### Let's get **Healthier Together!**

In many districts, TRS-ActiveCare's 2021–22 Annual Enrollment begins today. Districts can choose any dates between July 12–Aug. 23 for their Annual Enrollment period.

**Now is an excellent time to remind your employees of their only annual opportunity to choose a new health plan.** Unless they have a qualifying event like marriage, divorce, or a baby, Annual Enrollment is their one opportunity this year to enroll in or change their TRS-ActiveCare health plan.

**If employees don't actively choose a different plan, they'll be automatically enrolled in the same plan they had for 2020-21.**

In the [Participants' Annual Enrollment Toolkit](#), your employees can compare different TRS-ActiveCare health plans to see which one works best for them and their families. They'll also find:

- **The 2021-22 Annual Enrollment guide:** This comprehensive guide covers everything your employees need to know about TRS-ActiveCare health plans, including medical and prescription drug benefits, monthly premiums, helpful tools and resources, and how to enroll.
- **The 2021-22 Annual Enrollment video:** They can get a closer look at the wellness benefits at the heart of this year's plans to see how they can use them to get and stay healthy.
- **Provider Finder®:** They can use this online tool to find high-quality in-network doctors and hospitals and estimate the costs of services and procedures.
- **Information about prescription benefits:** They can go to [CVS's website](#) to learn about prescription coverage and find out how much their medications will cost.

Don't forget you can find all the resources you need in the [Benefits Administrators' Annual Enrollment Toolkit](#), including:

- Information about TRS District Ambassadors
- Information about regional HMO plans
- Overview of what's new and what's changing
- Plan highlights
- Posters to promote Annual Enrollment
- Summaries of Benefits and Coverage
- The Administrative guide
- The Annual Enrollment guide
- The Annual Enrollment video
- Training videos and slides

If your employees need help choosing the plan that's right for them, they can call a Personal Health Guide, 24 hours a day, seven days a week, at **1-866-355-5999**, for assistance.

We're excited to work together and look forward to a successful year!

Thank you again for all you do.

Sincerely,  
The TRS-ActiveCare Team
