Annual Enrollment is quickly coming to an end. If your employees haven't picked their TRS-ActiveCare plan, now's the time.

It's a good time to remind them that if they like their plan, they don't have to do anything. If they're not sure, the [Annual Enrollment video](#) is a good place to start.

In the video, they can see how Lauren and Matt, Gary, Lily, and Maria chose their plans – and why – and how they use their coverage to get and stay healthy. This can help them figure out which plan is the best fit for them and their families.

You may want to share this [TRS-Active Plan Comparison Chart](#), which outlines the basics of the three plans for 2022-23.

Participants can get more information about the plans in the TRS-ActiveCare Enrollment Toolkit. If they need more help picking their plan, they should connect with a Personal Health Guide. These plan experts can be reached 24/7 at **1-866-355-5999** or by chatting in the **BCBSTX App**. Your employees can visit the [Enrollment Toolkit](#) to find all 2022-23 Annual Enrollment resources in one place.
