If you haven't picked your TRS-ActiveCare plan, now's the time.

Remember, if you like your plan, you don't have to do anything. If you're not sure, the **Annual Enrollment videos** are a great place to start. These bite-sized, "how-to" videos can help you choose the right plan and get the most out of your coverage.

There are three TRS-ActiveCare plans for the 2023-24 plan year: **TRS-ActiveCare Primary**, **TRS-ActiveCare Primary +** and **TRS-ActiveCare HD**.

- Read the **Annual Enrollment Guide** to get more details about each health plan, wellness benefits and other important information.
- Use the **Health Care Costs Worksheet** to help you compare coverage options based on plan features and how you use your insurance to estimate what a year of health care will REALLY cost.
