

Important details about your benefits

We want you to get the most out of your health insurance plan, so we've added valuable new features for you and your dependents! Take a look at this new benefit for the 2022-23 plan year.

**Member Rewards**

**Did you know medical procedures and services can differ by thousands of dollars within the same region and health plan network?** You don't have to overspend on your next eligible medical procedure!

With Member Rewards, you can compare costs for common medical procedures, like MRIs, CT scans, and ultrasounds from trusted in-network providers.

Once earned, Member Rewards can be applied toward the cost of future medical expenses, reducing copays and coinsurance.

**How to get started**

1. Use [Provider Finder](#) to find a rewards-eligible location for a procedure or service. You can also call a Personal Health Guide (PHG) at **1-866-355-5999** for help.
2. Next, call and schedule the procedure or service at the location you chose or have a PHG schedule the appointment for you.
3. Once you've completed your treatment, the claim is paid, and the location is verified as rewards-eligible, the reward will be deposited into a Health Care Account (HCA).\*

**You can earn up to \$599 in rewards per plan year for each covered family member!** If you have unused rewards at the end of the plan year, they'll roll over to the next plan year. But if you cancel your health plan, you'll lose your rewards.
