The true reward of living a healthy lifestyle is, well, staying healthy. But that doesn't mean you can't be rewarded in other ways.

You have Blue Points<sup>SM</sup> from Well onTarget<sup>®</sup> built in to your TRS-ActiveCare health plan. With this program, you earn points for healthy activities. Take a Health Assessment, sign up for a gym membership, connect a smart device, or take a fitness class and rack up those points.

You can start earning points instantly and redeem them online for things like:

- Electronics
- Health and fitness tools
- Home goods
- Fashion and jewelry

This is just one of the many ways your TRS-ActiveCare plan makes it easy to use your benefits while saving money. Learn more about the convenience and wellness benefits of your health plan on the [TRS-ActiveCare website](#).
