

This is my TRS-Active Care story

Honestly, it's awful not having good health insurance.

I was reminded just how good my TRS-ActiveCare coverage is a few months ago. My friend Luke and I were in a car accident and we both needed physical therapy after.

He's in a school district without TRS-ActiveCare coverage. So, while I had no trouble finding an in-network physical therapist close to home, Luke can't say the same. And, his coverage isn't good so he has all these bills he can't pay. We all want good health insurance, but if it's hard to use, then what?

I called the number on the back of my ID card after our accident to talk to a Personal Health Guide.

She put together a list of providers, explained my coverage, and gave me an overview of my deductible, co-pay, and more. She even offered to make my appointments. Who takes care of you like that?

TRS-ActiveCare does.
