

# Negotiation with Covenant Health

**Covenant Health** notified Blue Cross and Blue Shield of Texas that they **intend to leave our networks on Aug. 1, 2025**. This affects many plans at BCBSTX, not just TRS's. Here's what you need to know:

## What This Means

If BCBSTX and Covenant Health don't sign new contracts before **Aug. 1, 2025**, **Covenant Health doctors, facilities and hospitals won't be in network for health plans at BCBSTX**, including your TRS-ActiveCare plan. BCBSTX is working closely with Covenant Health leadership and hopes to sign new contracts before that date.

## Why We're Reaching Out

This may impact you if Covenant Health goes out of network. **BCBSTX can help make your move to other doctors, hospitals and facilities as seamless as possible**. If you need new care options on or after **Aug. 1, 2025**:

- You can always access in-network hospitals and facilities in BCBSTX's robust network.
- BCBSTX will work with you on continuing your care, if eligible.
- BCBSTX can help you schedule a visit with other in-network providers.

**In the case of a life-threatening illness or injury, call 911 or go to the nearest emergency room right away. Emergency services are always covered at the in-network benefit level.**
