

The best TRS-ActiveCare plans for 2021-22 | view in [Web Browser](#)

Do you have the right health plan?

We're healthier together, so we're always looking for ways to help you get and stay well. And we believe the best health plan options to do this are TRS-ActiveCare Primary and TRS-ActiveCare Primary+.

With the [TRS-ActiveCare Primary](#) and [TRS-ActiveCare Primary+](#) plans, you work alongside your Primary Care Provider (PCP) to:

- get quick access to care
- save money on specialists
- have simple procedures done in your doctor's office
- personalize your health goals and needs

Keep this in mind as you select a plan during Annual Enrollment. Please check with your Benefits Administrator about your district's specific Annual Enrollment dates.

If you don't actively change your plan, you'll have the same plan in 2021-22 as you had last year.

TRS-ActiveCare Primary and TRS-ActiveCare Primary+ have cost-savings built in, so you'll save money in several ways:

- \$30 in-network doctor visits
- statewide network with a broad choice of in-network providers and facilities
- lower deductibles for medical care and prescriptions
- lower out-of-pocket maximums
- lower premiums and copays
- no-cost virtual health
- preventive care covered at 100%
- specialty drug coverage
- wellness benefits that make being healthy easy

TRS-ActiveCare Primary and TRS-ActiveCare Primary+ are physician-directed plans. Physician-directed means a PCP will manage your care and refer you to specialists, when necessary.

Advantages of these plans include:

- better health outcomes, fewer sick days, and **lower medical bills**
- help **managing chronic conditions**
- help keeping up with preventive services to **identify early signs of chronic conditions**
- peace of mind of knowing you **have a trusted doctor** to manage your care
