

Retrain Your Brain

See how much better life can feel with digital mental health programs from Learn to Live.¹

More than half of people will struggle with a mental health concern at some point in their lives.² But you can learn new skills to break old patterns that may be holding you back. Digital mental health programs from Learn to Live can help you get your mental health on track so you can feel better and enjoy life more.

Find out where you may need support

An online assessment helps pinpoint the right programs to help with your concerns, such as:

- stress, anxiety and worry
- depression
- insomnia
- social anxiety
- substance use

Learn to Live is included in your TRS-Care Standard health plan at no added cost.

Get a mental health tune-up — online

Learn to adjust unhelpful thoughts and control your moods

Explore quick and easy lessons whenever it fits your schedule. A little homework between sessions helps you keep up your progress. Activities are based on therapy techniques with a track record of helping people get better.

An expert coach can guide you

If you need one-on-one support to reach your goals, connect with a coach by phone, text or email. They'll lift you up, cheer you on and help you master your new skills.

Your personal details are private

Your personal results, program progress and messages with your coach are private. We won't share these details with your employer.
